MDM Report of Chitradurga district in Karnataka

As a part of the monitoring work of the midday meal programme in Chitradurga district of Karnataka, 38 regular schools and two KGBVs were covered. There are no centralised kitchens in Chitradurga district.

10.1 Availability of food grains: As regards the availability of the **buffer stock** of foodgrains for one month, it was available in all the 38 schools. It is a matter of great satisfaction that all the schools have buffer stock for one month. It was also interesting to note that the foodgrains are **delivered in time** by the lifting agency in all the schools. There are no problems on this issue. The nodal officer himself was physically available in one of the schools when the foodgrains were received by the school in his presence. As regards the **FAQ quality** of the foodgrains, there is no indication on the bags as such. As a result, whatever quality of the materials that is available with the FCI is being lifted by the district. As such there was no indication of FAQ on any of the bags.

It is also a matter of great satisfaction that the foodgrain is released to the school after adjusting the unspent balance of the previous month.

10.2 Timely release of Funds: On the issue of the **timely release the funds**, it was found that the fund is being distributed on a regular basis in advance in 37 schools but not in one school. And this school is GHPS Maragatta, Chitradurga. The period of delay in releasing the funds by the state to the district is from 3 to 4 months. From block to school also it takes about 3 to 4 months. This is something not acceptable. When there is a facility of e transfer in the State, one is at the last to understand as to how there can be delay in the release of funds to one school. The district needs to look into this issue and sort it out.

10.3 Availability of cooking cost: As regards the availability of **cooking costs**, it is found that 32 schools are getting cooking costs in advance regularly but not the remaining 6 schools. These schools include the following.

No 6 Schools

1. GLPS Halegollahatti, Challakere
2. GLPS Ravalakunte, Molakalmuru
3. GLPS Ballajjanakapile, Molakalmuru
4. GLPS Kanakaiahnahatti, Molakalmuru
5. GLPS Ramadurga, Challakere
6. GHPS Maragatta, Chitradurga

As regards the delay in the receipt of cooking cost, schools report that it takes about two to four months. In these schools where the cooking cost is received late, it is reported that the Headmasters spend from their own pockets initially. This is not a good practice at all. The district must take immediate initiatives in helping the system to function better. All the schools have reported that the mode of payment of cooking cost is through e transfer. It is difficult to understand as to how in spite of the e transfer there can be delay in the payment of the cooking costs. The district definitely needs to look into this issue.

10.4 Availability of Cook-Cum-Helpers: With regard to the availability of **cook cum helpers** it was found that they are engaged mainly by SDMC, followed by the education department, VEC, PRI and in one of the schools, HPS Mallappanahalli, Hosadurga, cooks have not been appointed at all. This is a serious issue. The district needs to respond to this situation. In that school where cooks are not formally appointed, the temporary cooks have been appointed who are

managing the show. The cooks cum helpers who have been engaged in this school are as per the GOI norms /the State norms in 36 schools but not in two schools. These two schools include the following. (1) GHPS Mallappanahalli, Hosadurga and (2) GHPS Huchangidurga, Molakalmuru.

As regards the **honorarium paid** to the cooks cum helpers, in Karnataka the Head Cook gets to Rs.1600, while the helpers get Rs. 1500. This is inclusive of the additional honorarium that they get for *Ksheera Bhagya Scheme* which is in place in Karnataka. It was found in all the schools that the mode of payment to cooks cum helpers is done through E transfer. While it is astonishing to note that the remuneration paid to the cooks cum helpers is regular in only 11 schools but not in the remaining 27 schools. This is paradoxical. The schools where it is not being paid regularly include the following.

With regard to the **social composition of cooks** cum helpers, it was found that there were 6 SC cooks, 22 ST cooks and 4 OBC cooks. It indicates that all the social category groups are involved and the proportion of ST Cooks is more than the groups.

With regard to the **availability of training modules** for the cooks cum helpers, one school said it has the module while the remaining 37 schools said they don't have. This is an issue which the district has to consider seriously.

On the issue of the **training provided to the cooks cum helpers**, it was found that in 28 schools training has been provided but not in the remaining 10 schools. These 10 schools include the following.

No 10 Schools

1. GHPS Koonabevu, Chitradurga
2. GLPS Janglisuraiahnatti, Molakalmuru

10.5 Regularity in serving the meal: On the issue of regularity in serving meal, it was found that the hot cooked meal was served in 37 schools but not in one school. This one school was GHPS Mallappanahalli, Hosadurga.

In this school there were interruptions on two occasions by cooks who refused to work saying that the honorarium that they were getting was too less. The district needs to look into this issue and ensure that cooking continues. Children should not be put to any disadvantage.

10.6 Quality & Quantity of Meal: With regard to the **quality of the meal**, as reported by the children, it was found to be very good in 27 schools, good in 11 schools. None of the schools complained of the quality of the meal.

As regards the **quantity of the meal** children in all the schools were satisfied. This is a matter of great happiness that on the issue of quality and quantity there are no problems in the district. With regard to the quantity of pulses used in the meal per child, it was found that it was sufficiently used in 37 schools but not in one school. This one school where it was not sufficiently used was GLPS Malali, Chitradurga. There is a need on the part of the concerned officials to see what is happening in this school.

With regard to the quantity of **green leafy vegetables** used in the meal per child, again it was found that it was sufficient in 37 schools but not in one school. The school was GLPS Ramadurga, Challakere.

With regard to the use of **double fortified salt** in the food, it was found that in 37 schools they were being used but not in one school. This school was GLPS Malali, Chitradurga.

With regard to the **acceptance of the meal among the children**, it was accepted very well in one school and accepted well in 34 schools and the acceptance level was average in three schools. Children do not like Bisibele bhat. They also do not want Rice and Sambar everyday which is monotonous as they feel. They want variety to include Palav, and such. (Konabevu and Hunasekatte SchoolÉ).

10.7 Variety in Menu: With regard to the **variety of the menu**, it was found that it is chiefly the SDMC which decides the menu in 29 schools while in only remaining 9 schools it is decided by the headmaster.

On the issue of whether weekly **menu is displayed a prominent place** noticeable to community, it was found that in 25 schools it was displayed at the prominent place but not in the remaining 13 schools. The 13 schools are as follows.

No 13 Schools

1. GHPS Bedanashivanakere, Chitradurga
2. GHPS Maragatta, Chitradurga
3. GLPS Kanakaihanahatti, Molakalmuru
4. GLPS Amruthapura, Holalkere
5. GLPs Myasarahalli, Molakalmuru
6. GLPs Maheshwarinagara, Challakere
7. GHPS Bahaddurgatta, Chitradurga
8. GHPS Katappanahatti, Challakere
9. GHPS Jaanakonda, Chitradurga
10. GLPS Ramadurga, Challakere
11. GLPS Malali, Chitradurga
12. GHPS Hampanuru, Chitradurga
13. GLPS Halegollarahatti, Challakere

On the issue of whether the **menu is being followed uniformly**, it was found to be followed in 32 schools but not in six schools. These six schools include the following.

No 6 Schools

1. GHPS Baramasagara, Chitradurga
2. GHPS Nelagethanahatti, Challakere
3. GHPS Hampanuru, Chitradurga
4. GHPS Bedanashivanakere, Chitradurga
5. GHPS Malali, Chitradurga
6. GLPS Ramadurga, Challakere

On the issue of whether menu included **locally available ingredients**, it was found to be seen in 37 schools but not in one school. The school was GLPS Malali, Chitradurga.

As regards whether the menu provides required **nutritional and caloric value per child**, an impressionistic assessment indicated that it provided in 37 schools but not in one school. This school was GLPS Malali, Chitradurga. The district needs to look into these varieties of menu issues closely and ensure that children do not feel bored eating the same menu.

10.8 Display of information under RTE act 2009 : On the issue of the display of information as per the RTE act 2009 at the school level, at prominent places, it was found that from all the 38 schools there were 3471 children who had availed MDM. The daily menu was displayed in 31 schools but not in 7 schools. The schools included the following.

No 7 Schools

1. GHPS Katappanahatti, Challakere
2. GHPS Bedarashivanakere, Chitradurga
3. GHPS Huchangidurga, Molakalmuru
4. GLPS Halegollahatti, Challakere
5. GHPS Ganjigunte Lambanahatti, Challakere
6. GLPS Hosa kapile, Challakere
7. GLPS Amruthapura, Holalkere

As regards the display of **MDM logo** at prominent place preferably outside the wall of the school, which is desirable, it was found to be seen in only 20 schools but not in the remaining 18 schools. These 18 schools included the following.

No 18 Schools

- 1 GHPS Bedarashivanakere, Chitradurga
- 2 GHPS Janukonda, Chitradurga
- 3 GHPS Katappanahatti, Challakere
- 4 GHPS Baramasagara, Chitradurga
- 5 GHPS Mallappanahalli, Hosadurga
- 6 GHPS Maragatta, Chitradurga
- 7 GHPS Hunasekatte, Chitradurga
- 8 GHPS Hampanuru, Chitradurga
- 9 GHPS Channaiahna hatti, Chitradurga
- 10 GHPS Huchangidurga, Molakalmuru
- 11 GHPS Ballalasangam, Hosadurga
- 12 GLPS Maheshwarinagara, Challakere
- 13 GLPS Amruthapura, Holalkere
- 14 GLPS Katraltimmappanahalli, Chitradurga
- 15 GLPS Malali, Chitradurga
- 16 GLPS Jangli suraihanahatti, Molakalmuru
- 17 GLPS Ajjanahalli, Challakere
- 18 GLPS Odobaihanahatti, Molakalmuru

This is an issue which is very simple as well as very serious. This is the minimum which any school is expected to do. The district needs to take this issue seriously and scout around all the schools to ensure that the MDM logo is written prominently in all the schools.

10.9 Trends-Extent of variations as per school records vis-à-vis actual status:

As regards the **trends in the extent of variation**, the number of children enrolled was 4259, while the number of children present on the day of the visit as per the register as well as as per the counting was found to be 3471. This also matched the MDM register. Therefore, on the issue of variation on the number of children availing MDM does not arise in the district. The district is very safe on this count.

10.10 Social Equity: With regard to the **social equity** concerns, it is found that the situation is quite comfortable in the district. Children are made to sit in the corridor in front of the classrooms and the served food. After a brief prayer, they all have food. **There is no discrimination of any sort based on either gender or caste or community either in cooking or serving or in seating arrangements. On this issue the district is very safe.**

10.11 Convergences with other schemes: As regards the convergence with other schemes, it is found that all the schools have maintained **school health cards**. The schools have reported that the frequency of health checkups range from one to two years. With regard to the **micronutrients** given to children, it was given in 37 schools but not in one school. Likewise even the **deworming medicine** is given in 37 schools but not in one school. In both the cases the one school which has not administered the above to is GHPS Huchangidurga, Molakalmuru. The district needs to help the school in understanding why they have problems and ensure that the school also joins other schools in giving micronutrients and deworming medicines to children without any confusion. At any cost the children should not be put to any disadvantage. These medicines are administered by PT teachers, Headmasters and class teachers in different schools. Micronutrients are distributed once in two to three days, while it should be distributed on alternate days. The deworming medicines are given once in six months.

As regards recording of the **height and weight** of children in the school health card, it is being recorded in 21 schools but not in 17 schools. This is a big number of schools where it is not being done. These schools are as follows.

With regard to the **dental and Eye checkup** in the screening, this was found to exist in 35 schools but not in the remaining three schools. These three schools include the following.

1. GHPS Baramasagara, Chitradurga
2. GLPS Ballajjanakapile, Molakalmuru
3. GLPS Malali, Chitradurga

On the issue of whether **spectacles** were distributed to children who were suffering from refractive errors, it was found that it was distributed to children in seven schools.

On the issue of whether **drinking water** is being supplied **through drinking water and total sanitation campaign**, two schools have indicated that they have this scheme in place not the remaining 36 schools. The district needs to clarify on this issue whether this is the correct information. On the issue of whether there is any MPLAD or MLA scheme in schools it was found that it does not exist in any of the schools.

10.12 Infrastructure:

10.12.1 Kitchen-cum-store: On the issue of Pucca kitchen shed cum store, it was found that they were constructed and are in use in 32 schools, and that is not so in six schools. The list of these six schools is as follows.

No 6 Schools

- | | |
|---------------------------------------|---------------------------------------|
| 1. GHPS Hampanuru, Chitradurga | 4. GHPS Bahaddurgatta, Chitradurga |

| 3. GLPS Odobbaihanahatti, Molakalmuru | 6. GLPS Kanakaihanahatti, Molakalmuru |

The district needs to intervene and see why it is not done. There are two schools where kitchen shed cum store is constructed but is not being put to use because they are awaiting their inauguration. There are two kitchen shed cum stores which are under construction.

On the issue of the **scheme under which kitchen cum store is constructed** in the district, it was found that they are constructed under MDM in 10 schools, under SSA in 4 schools and under other schemes 18 schools.

On the issue of **where the food is being cooked** if the pukka kitchen cum store is not available, it was found that the food is being cooked in classrooms in those schools. The foodgrains and other ingredients are being stored in Headmasters' rooms, stockrooms or classrooms.

On the issue of the kitchen cum stores, there were found to be in **hygienic condition** in 33 schools but not in five schools. These five schools are as follows.

No 5 Schools

1. GLPS Ajjappanahalli, Chitradurga
2. GHPS Bedarashivanakere, Chitradurga
3. GHPS Katappanahatti, Challakere
4. GHPS Ballalasangamudra, Hosadurga
5. GHPS Mallappanahalli, Hosadurga

With regard to the **ventilation of these kitchens**, it was found to be properly ventilated in 33 schools but not in the 5 schools. There is a need on the part of the district to look into this issue and ensure that their kitchens are properly ventilated in all the schools. This is important not only from health view point but also from the safety point. These five schools include the following.

No 5 Schools

1. GHPS T N Kote, Challakere
2. GLPS Ajjappanahalli, Chitradurga
3. GHPS Bedarashivanakere, Chitradurga
4. GHPS Katappanahatti, Challakere
5. GHPS Ballala Samudra, Hosakere

As regards the **position of the kitchen which is away from the classroom**, it was found that in 35 schools they were away from the classrooms and in 3 schools they were not. It is desirable that the kitchen is away from the classrooms. The 3 schools which were not away from the classrooms include the following.

No 3 Schools

1. GHPS Mallappanahalli, Hosadurga
2. GLPS Amruthapura, Holalkere
3. GLPS Ajjappanahalli, Chitradurga

On the issue of whether they are being cooked using **LPG gas or using firewood**, it is a matter of great satisfaction that the food is being cooked using LPG gas in all the schools. In the same breath it is also a matter of great happiness and satisfaction to note is that there was no interruption of the midday meal due to any reason. On the whole on Kitchen issue of infrastructure, there are no big issue in the district.

10.12.2 Kitchen devices: With regard to the **kitchen devices**, it was found that the cooking utensils were adequately available in 26 schools but not in the 12 schools. These 12 schools include the following.

10.13 Safety and Hygiene: With regard to safety and hygiene, the general impression of the **environment, safety and hygiene** indicates that it is good in 19 schools and average in other 19 schools.

It was also found that children are encouraged to **wash their hands before and after eating** in 30 schools but not in the remaining 8 schools. There is a need on the part of the district to take this issue seriously about the handwashing and enable children to understand the importance of handwashing. The 8 schools which did not encourage children to wash their hands before and after the meal include the following.

With regard to the **safety of the cooking process and storage of the fuel**, it was found to be satisfactory in all the 38 schools. On this issue the district appears to be completely safe.

10.14 Community participation: On the issue of the community participation in supervision, monitoring and participation by different stakeholders, the following picture emerged. It was found that the **parents participate and monitor** MDM programme often in 6 schools, rarely in 16 schools and never in 16 schools. What is disturbing is that in 16 schools parents rarely monitor and participate. There is a need to change this scenario in the district. The district MDM needs to focus on this and influence the SDMCs in changing the scenario for a better coordination and monitoring.

It was found that the the **SDMC members participate and monitor** MDM programme daily in 1 school, often in 14 schools, rarely in 18 schools and never in 5 schools. What is disturbing is that in 5 schools SDMC members never monitor and participate. Perhaps there is a need for the district to intervene here.

Further, it was found that the **panchayats participate and monitor** MDM programme often in 2 schools, rarely in 1 school and never in 35 schools. Perhaps there is a need for the district to intervene here and impress upon the ZP to participate more.

An overall picture indicates that it is mainly the SDMC which takes care and not the other stakeholders who were enthusiastic about the MDM programme in the district.

10.15 Inspection & Supervision: On the issue of inspection and supervision, it is very impressive to see that all the 38 schools have maintained **inspection registers**. All the schools have also received funds from **MME component**. On the issue of whether the MDM programme has been inspected by any officer of the state, although schools say that there is none who has come to inspect. While from the district side only 3 schools say that the district officials have come but not the remaining 35 schools. These 35 schools where none of the district official has come include the following.

On the issue of the **frequency of such inspections** wherever it happens, schools say that it is one to three times in a week.

10.16 Impact : On the issue of the impact of the MDM programme facts, figures and impressions indicate that it has been able to improve the enrolment in all the schools, improve the attendance of children in all schools, and also the general well-being of children in all the schools. MDM programme has been a very important and effective programme in the district. All the schools also feel that the programme has helped in the improvement of the social harmony as well as the nutritional status of all the children in all the schools.

10.17 Grievance Redressal Mechanism: As regards the Grievance Redressal Mechanism, in the district for the MDM programme, 18 schools say that they have a mechanism but not the remaining 20 schools. A list of these 20 schools is as follows.

MDM report of Koppala District, Karnataka

As a part of the Koppala monitoring work, 42 schools were visited, out of which 39 schools were regular schools and the remaining three schools were KGBVs. Out of the 39 regular schools there was 1 school which was Lower Primary School from classes 1 to 4, 17 schools were Lower primary schools from classes 1 to 5, 8 schools were Higher primary schools from classes 1 to 7, and there were 16 higher primary schools from classes 1 to 8. All the schools were government schools only. All the schools were visited during June 2104 to August, 2014.

10.1 Availability of food grains

It was found that 36 schools (92%) had **buffer stock** of food grains for one month and in 3 schools the buffer stock was not there. These schools are:- GHPS Rampura, Gangavathi, GLPS Hagedala, Gangavathi & GLPS Lingadahalli, Gangavathi.

The **food grains are delivered** to school in time by the lifting agency in 38 schools, while in 1 school, it is not delivered. That school is GLPS Hagedala, Gangavathi. In such situations, teachers borrow from the near by school.

In 10 schools the food grains supplied were of grade A quality, while in 29 schools it was not of grade A quality. These schools are:

In all the schools food grains are released after adjusting the unspent balance of the previous month.

10.2 Timely release of Funds

The **releasing of funds** to district/Block/School is on regular basis in advance, in all the schools.

10.3 Cooking cost

In all the schools the **cooking cost is received in advance** regularly and it is through e- transfer.

10.4 Availability of Cook-Cum-Helpers

In 38 schools **cook-cum-helpers** are engaged by PRI and in 1 school by Self help group. In all the schools cook-cum-helpers are recruited as per GOI norms. The honorarium paid is Rs 1600/- for Head cook and Rs 1500/- for helpers. The mode of payment is by cheque in 20 schools and by E-transfer in the remaining 19 schools. The payment of remuneration is regular in 37 schools, while it is irregular in remaining 2 schools. These schools are: GLPS Nirluti, Gangavathi & GHPS Bandihala, Yelburga.

Cooks-cum-helper comprised SC, ST, and OBC. 26 schools had SC cooks, 24 schools had ST cooks and 18 schools had OBC cooks. These show that **social composition among cooks is satisfactory**. All the cooks and helpers employed are females.

The **training module for cook cum helpers** exists in 20 schools but not in the following 19 Schools.

None of the schools displayed the MDM logo at the prominent place. This is a serious issue. The District needs to take it up urgently.

10.9 Trends-Extent of variations as per school records vis-à-vis actual status.

As per register, there were 8689 students' enrolment, and all of them opted for availing MDM. On the day of visit 6182 students were attending the school and number of students availing MDM as per MDM register is 6182 and **all the** students availed MDM on the day of visit. The extent of variation noticed is **0%**.

10.10 Social Equity

There was *no discrimination on the basis of gender or caste or community in cooking or serving or seating arrangement, in all the schools.* The system of serving is either by cook & the assistants or teachers or SDMC members who visits during MDM program. The seating arrangements adopted by schools are- making the students to sit in rows and have food. In some schools, students collect the food in queue and then sit in rows and have food. However, it is desirable to avoid the system of making children stand in Queue & collect food.

10.11 Convergences with other schemes

In all the 39 schools health card are maintained for each child and health check-up is being carried out PHC doctors once in a year. Children are given

micronutrients and de-worming medicine regularly and on periodical basis in all the 39 schools. These medicines are usually administered by classroom teachers & HMs.

In all the 39 schools the **height and weight** record of the children are recorded in health card. There were cases of **referral in 10** schools. These schools are:

All the 39 schools had **medical kit** with them. In all the 39 schools health check-up, dental and eye screening were included. The distribution of spectacles was noted in 18 schools while it is not distributed in one school GLPS Ambedkar Nagara, Gangavathi.

As regards the **Drinking water and sanitation program** in convergence with SSA in 36 schools and in 3 schools, convergence is not seen. These schools are GLPS, Harijanawada, Boodagumpa, ; GLPS Hagedala,; and GLPS Hosahirebenakal. There was no convergence of SSA with MPLAD/MLA scheme in the district.

10.12 Infrastructures

10.12.1 Kitchen-cum-store

It was found that in 38 schools pucca **kitchen shed-cum-storeroom** is constructed and is being used, while in 1 school GHPS Balutagi, Yelburga, pucca kitchen is constructed but not in use. Of the sanctioned pucca kitchen room construction, in 29 schools of it is under SSA Scheme; in 4 schools it is under MDM and in 5 schools it is under other schemes. In 1 school where the pucca kitchen room is not available, the food is cooked in temporary shed constructed adjacent to school building. The kitchen-cum-store rooms are in hygienic condition, properly ventilated and are away from classrooms in all the 38 schools.

In 38 schools use LPG as cooking fuel. Only in one school GLPS Matarangi, Yelburga use fire wood as cooking fuel. There were no instances of interruption noticed due to non-availability of LPG.

10.12.2 Kitchen devices

It was found that 36 schools have adequate cooking utensils with them and in 3 schools they are not adequately available. These schools are GLP Nirluti, Gangavathi, GLPS Mano Colony, Gangavathi, and GHPS Balutagi, Yelburga. The

source of fund for kitchen devices was from kitchen devices fund in 28 schools; MME in 3 schools and in remaining 8 schools, it is by community contribution.

It was also found that 33 schools have eating plates available for each child. Among these 29 schools have provided the eating plates through community contribution. In 4 schools children bring eating plates from their homes. While in 6 schools eating plates are not made available. These schools are;

10.12.3 Availability of storage bins

It was seen that in 37 schools have storage bins for food grains and it is purchased under kitchen devices fund. Two schools do not have storage bins. They are GHPS Balutagi, Yelburga, GLPS Bapu Colony, Gangavathi, while the storage bins in 28 schools are not in satisfactory condition.

10.12.4 Toilets in schools

It was noticed that 33 schools have separate toilets for boys and girls, and 6 schools do not have separate toilets. They are:

All the 33 schools toilets were in usable condition. This is to be appreciated.

10.12.5 Availability of potable water

It was seen that 36 schools have potable water, while 3 schools use community sources.

10.12.6 Availability of fire extinguisher

It is a matter of satisfaction that all the 39 schools have fire extinguisher with them.

10.12.7 IT infrastructure available at school level

There are 23 computers in 7 schools. Among these, one school had internet connectivity. Only that school uses IT enabled services. The other six schools are as follows.

10.13 Safety and Hygiene

The general impression of the environment, safety and hygiene in the schools is very good in 1 school, good in 28 schools , average in 9 schools and poor in one school GMHPS Kanakagiri (Boys), Gangavathi.

Encouraging children to wash hands before and after eating the food and taking food in orderly manner is seen in all the 39 schools. This is to be appreciated. Conservation of water is encouraged in 38 schools and in GHPS Thalakeri, Yelburga School Conservation of water is not encouraged.

There are no fire hazards and danger in cooking process in the schools premises in any of the 39 schools. This is good.

10.14 Community participation

The extent of participation in supervision, monitoring and participation by-Parents is daily in 5 schools, often in 18 schools and rarely in 16 schools. In case of SDMC is often in 29 schools, rarely in 1 school and never in 9 schools. These nine schools are as follows.

1. GMHPS Gangavathi (Girls), Gangavathi
2. GHPS Bandi, Yalaburga
3. GHPS Hirejanthakal, Gangavathi
4. GHPS Ganadala, Yalaburga
5. GLPS Bailakkampura, Gangavathi
6. GLPS Ambedkar Nagara, Gangavathi
7. GHPS Bandihala, Yalaburga
8. GLPS Chikoppathanda, Yelaburga
9. GLPS Bunnatti, Gangavathi

It was seen that the VEC never does these kinds of works in any of the 39 schools. In case of panchayat, it does it often in 1 school; rarely in 28 schools and never in 10 schools. In case of urban bodies it is 'rarely' in 8 schools and 'never' in 31 schools.

The roaster of community members for supervision of MDM is not observed in any of the sampled schools. There are no social audit mechanisms of MDM in any of the 39 schools. During the monitoring period SDMCs had conducted meeting 1-8 times and in those meetings MDM related issues were also discussed in many meetings.

10.15 Inspection & Supervision

In all the 39 schools inspection register were available. While none of these schools have received any funds under MME component. The inspection of MDM programme by-state office is seen in 12 schools, by district office in 36 schools and by block level office is all the 39 schools are observed. The frequency of visits by district official is 2 to 3 times in a year.

10.16 Impact

The MDM scheme has improved enrolment; attendance of children; general well being of children and nutritional status of children in all the 39 sampled schools (100%). In all the schools MDM has helped in improving the social harmony.

10.17 Grievance Redressal Mechanism

There is grievance redressal mechanism in place in the district, while paradoxically none of the schools had displayed the toll free number in prominent place.
