## ACKNOWLEDGEMENT

The SSA & MDM are two of the most inclusive of all social sector policies of Government of India. As both the programmes are being implemented in all the states, including West Bengal, at the level of primary and upper primary schools, the scale of operation is enormous.

The responsibility of monitoring the programmes with a stratified random sample of 40 schools in each of the seven districts taken up in this phase, based on 14 parameters of stratification, within a stringent time-frame of 6 months is obviously quite challenging. This calls for the concerted cooperation of a host of different individuals, offices and institutions.

Though the project could not be started by the MI (University of Calcutta) in time because of administrative bottlenecks beyond the control of the nodal officer, we have already submitted final reports of the 4 districts (Howrah, South 24 Parganas, Nadia and Paschim Medinipore), allotted for the overall monitoring activity. This report contains the results of monitoring activities in the Purba Medinipore, uttar Dinajpur and Bankura districts.

Significant cooperation and unstinted support was received from the State Project Director and her office.. Mr. N.N. Burman, Project Director, CMDMP, West Bengal had also been cooperative all through the monitoring work. The respective offices of the DPO of the district covered in the report did also extend the required assistance.

Ms. Somoshree Mukherjee, Project Coordinator, and the field team members -- Mr. Shankar Majumder, Mr. Suhas Majumder and Mr. Soumen Chatterjee --did a truly authentic job in executing the project.Mr. Debojyoti Naskar and Ms. Doyel Roy Bhattacharya backed up excellently in post-survey activities.

## INTRODUCTION

Sarva Shiksha Abhiyan (SSA) program had mandated a number of provisions to be observed by all the government/government-aided primary and upper primary schools in India.

Similarly, the Mid-day Meal (MDM) program also required the schools to provide hot cooked mid-day meal to all school children of class I to class VIII along with other requirements.

A major public sector intervention like this necessitated the requirement of monitoring of the program on a regular basis. Over and above the periodic internal assessment by the Sarva Shiksha Mission (SSM) and evaluative studies by different institutions/agencies/organizations, the Government of India felt that it is important to conduct third party independent monitoring. Accordingly, University of Calcutta was entrusted, as a monitoring institution, with the responsibility of monitoring the two programs in ten districts of West Bengal during the period April, 2013 to March, 2015.

The districts assigned by the School Education (SE) Department, Government of India are South 24 Parganas, Howrah, Nadia, Purba Medinipore, Paschim Medinipore, Bankura, Birbhum, Murshidabad, Siliguri and Uttar Dinajpur.

The field study started with the district of South 24 Paraganas and followed by the survey in Howrah, Nadia and Paschim Medinipore districts. The final report on Howrah, South 24 Parganas, Nadia and Paschim Medinipore has already been submitted and at the time of preparation of this report on Purba Medinipore, Uttar Dinajpur and Bankura, collection of field data from the other districts mentioned as well as their data entry/processing have been completed. The succeeding pages capture the observations, analysis and outcomes of the survey in Purba Medinipore, Uttar Dinajpur and Bankura districts.

## METHODOLOGY

First hand data for the project are being collected on the basis of a detailed structured questionnaire. The schools for field survey were selected on the basis of stratified random sampling. The stratification for each district was done using the 14 criteria stipulated by the department of SE, GoI. The Criteria include:

- a. Higher gender gap in enrolment.
- b. Higher proportion of SC/ST students.
- c. Low retention rate and higher dropout rate.
- d. The school has a minimum of three CWSN.
- e. The habitations where the school is located at, has sizable number of OoSC.
- f. The habitation where the school is located at, witnesses in-bound and out-bound seasonal migration.
- g. The habitation where the school is located at is known to have sizeable number of urban deprived children.
- h. Schools with special training centre.
- i. Schools with Civil work sanctioned
- j. Schools with CAL program
- k. Three KGBV schools
- l. Three schools from NPEGEL blocks.
- m. The school is located in a forest or far-flung area.
- n. The habitation where the school is located at, witnesses recurrent floods or some other natural calamity.

Another stipulation was that at least 8 out of 40 schools should be from urban areas, 6 should be with Special Training Centers (3 residential and 3 non-residential) attached to it, 2 must have civil works sanctioned for them, 2 should be from NPEGEL blocks, 3 schools are to have a minimum of 3 CWSN (priority to those having other than OI children) and 3 each must be covered under the Computer Aided Learning (CAL) and KGBV scheme. This has also been duly followed. Besides, the selection of the sample schools, importance was given to a fairly comprehensive coverage of the different geographical areas of the district to minimize the sampling error.

The data set thus generated has been entered and processed using Microsoft Excel and the tabular presentation for different criteria has also been converted to pictorial presentation

(charts, graphs etc).The observations have subsequently been analyzed and presented in the following pages.

Apart from these, relevant official documents and reports relating to MDM were consulted. The relevant district statistical handbooks for the project districts were also used in course of the process of school selection.

### **Observations:**

The observations have been divided into two broad sections one covering the SSA component and the other devoted to MDM section.

Within the MDM section the data have been classified as per the following categories.

1. Availability of foodgrains
2. Timely release of funds
3. Availability of cooking cost
4. Availability of cook-cum-helpers
5. Regularity in serving meal
6. Quality & quantity of meal.

To assess the overall situation of 'Mid-day Meal' through the sample schools surveyed in Purba Medinipore and quantify the outcome of monitoring report, 10 conditions have been considered. Each condition has been allotted a score of either 0 or 1. If the condition gets satisfactorily met, then 1 is allotted for the same, otherwise 0. Therefore at its best, if a school meets all the condition, it can achieve 10 out of 10 points and at its worst 0 out of 10 points if fails to satisfy even a single condition. The status of Mid day meal implementation in terms of scoring has been presented in tabular form above.

The above table represents status of all the schools visited in Uttar Dinajpur district by the survey team from Calcutta University. Regularity in MDM , Maintenance of Buffer Stock of One Month's requirement of foodgrains, Quality of Meal, Quantity of Meal, Regularity in Receiving Cooking Cost in Advance, Regularity in Payment for Cook-cum Helpers, Menu provides required nutritional and calorific value, Availability of Pucca Kitchen Shed cum Store, Adequacy of Utensils, General Impression on the Environment, Safety and Hygiene- these 10 criteria have been chosen to assess the status of the schools with respect to MDM program. Each of these criteria has been allocated a score of 1 which implies that maximum score is 10. Schools which obtain score 10 out of 10 are the best ones with respect to mid-day meal programme and schools with score 2 are the worst ones. Rest of the schools remains in between.

- Survey Team from Monitoring Institution has surveyed 21 schools under primary category. Among them brighter picture has been found in case of 4 schools (**Chhasia F.P School, Kharisariabad F.P School, Hatpara F.P School and Nayatuli F.P School**) as they have scored 10 out of 10. These four schools have followed by **Uttar Kochra F.P School and Seth Colony F.P School** with a score 9 out of 10. Both the schools have fulfilled all the conditions except **Regularity in Payment for Cook-cum-Helper**. The condition of **Satveti Chanditola F.P School** is severe as **this school has fulfilled only 2 conditions** (Regularity in MDM and Availability of Pucca Kitchen Shed cum Store) **out of 10. Nilkuthi F.P School** has scored only 3 out of 10 as the school has fulfilled only the following 3 conditions: Maintenance of Buffer Stock of One Month's requirement of foodgrains, Regularity in MDM and Availability of Pucca Kitchen Shed cum Store.
- As shown in the table, except one rest of the schools (20 schools) have fulfilled 3 conditions (Maintenance of Buffer Stock of One Month's requirement of foodgrains, Regularity in MDM and Availability of Pucca Kitchen Shed cum Store). Except **Satveti Chanditola F.P School and Nilkuthi F.P School**, all the schools have provided required nutritional and calorific value. Scaring condition has been found in case of **Regularity in Payment for Cook-cum-Helper** as only 4 schools (**Chhasia F.P School, Kharisariabad F.P School, Hatpara F.P School and Nayatuli F.P School**) have fulfilled the same.
- Overall all the 21 primary schools of Uttar Dinajpur have scored 159 out of 210. A special attention should be given in case of 'Regularity in Receiving Cooking Cost in Advance' and 'Regularity in Payment for Cook-cum-Helper' to get a better scenario.

- Analysis of the condition of upper primary schools in Uttar Dinajpur reflecting a brighter picture. Out of the 13 schools, 12 schools have scored within 8 to 10. **Patagora High School** has fulfilled only 3 conditions (**Regularity in MDM, Maintenance of Buffer Stock of One Month's requirement of foodgrains and Availability of Pucca Kitchen Shed cum Store**) out of 10. All the 10 selected conditions have been fulfilled by **Subhasganj Girl's High School and Islampur High School**. Almost similar picture has been found in case of 4 schools (**Chirail Co-ed Jr High School, Gandal High School, Kartik Chandra Girl's High School, Hatia High School**). These 4 schools have fulfilled all the conditions except 'Adequacy of Utensils'. Rest 6 schools have fulfilled 8 conditions out of 10.
- Brighter picture has been found in Regularity of MDM, Maintenance of Buffer Stock of One Month's requirement of foodgrains, Availability of Pucca Kitchen Shed cum Store as all the sample 13 upper primary schools have fulfilled these conditions. Except **Patagora High School**, all other 12 schools have fulfilled the following conditions: Quantity of Meal: Students' Perception, Quality of Meal: Students' Perception and Menu provides required nutritional and calorific value and General Impression on the Environment, Safety and Hygiene. Situation is worst in case of **Regularity in Receiving Cooking Cost in Advance**.
- Overall these 13 upper primary schools have scored 107 out of 130.

In order to analyse the overall situation of 'Mid-day Meal' through the sample schools surveyed in Bankura and quantify the outcome of monitoring report, 10 conditions have been considered. Each condition has been allotted a score of either 0 or 1. If the condition gets satisfactorily met, then 1 is allotted for the same, otherwise 0. Therefore at its best, if a school meets all the condition, it can achieve 10 out of 10 points and at its worst 0 out of 10 points if fails to satisfy even a single condition. The status of Mid day meal implementation in terms of scoring has been presented in tabular form above.

- The survey team from **Monitoring Institute (MI) of University of Calcutta (CU)** started the monitoring activity on **Mid Day Meal Program in Bankura** after completion of the same in South 24 Parganas, Howrah, Nadia, Paschim Medinipore, Uttar Dinajpur and Purbo Medinipore. **40** schools are selected from this district. As discussed before also, 10 conditions have been considered to assess the status of Mid Day Meal in all these schools. Each condition has been allotted a score of either 0 or 1. If the condition gets satisfactorily met, then 1 is allotted for the same, otherwise 0. Therefore at its best, if a school meets all the conditions, it can achieve 10 out of 10 points and at its worst 0 out of 10 points if fails to satisfy even a single condition. A brief on the status of MDM implementation in terms of scoring has been presented in tabular form above.
- The overall composite score of these 40 schools is **308** out of 400 (76%) in Bankura.
- The survey was done in **23 primary schools** at Bankura to conduct the monitoring activity on MDM program. The composite score of these 23 schools is **187** out of

230( 81%).Lokepur Harijan Vidyapith, Laubagan New Prathamick Visyalaya, RabindraSikshaniketan Primary School, Nilbary Primary School, Kulmura Primary School and Halaigoria Primary School have scored the full marks by satisfying all above mentioned criteria. On the other side, Perodanga Primary School has scored only 3 out of 10.

- **Regularity in Receiving Cooking Cost in Advance and Regularity in Payment for Cook-cum-Helpers** are not satisfactorily able to meet in **Bishnupur Paschim Primary School, Benjtaboni Primary School, Nowadihi Primary School, Tilaboni Primary School, Palashbani Primary School, Jaria Prathamik Vidyalaya, Tunkughutu Primary School, Ajadhya Girls' Primary School , Perodanga Primary School and Giridharipur Primary School. Ajadhya Girls' Primary School** has scored 6 out of 10. The most affected criteria is **Regularity in Receiving Cooking Cost in Advance**, satisfied in only 9 primary schools of Bankura.
  
- **Quality and quantity of meal according to the students' perception** are not got positive marks in **Labazar Hindu Prathamick Vidyalaya and Perodanga Primary School. General Impression on the Environment, Safety and Hygiene** (except **Perodanga Primary School** ) , **Availability of Pucca Kitchen Shed cum Store** (except **Perodanga Primary School** ) , **Menu provides required nutritional calorific**( except **Palashbani Primary School**), **Maintenance of Buffer Stock of One Month's requirement of foodgrains** (except **Mahatma Gandhi Vidyan** )and **Regularity in MDM** (except **Ajadhya Girls' Primary School** )are satisfied in all primary schools.
