# Progress on construction of Kitchen-cum-store (Year Wise)

**The Mid Day Meal Rules, 2015 have been notified under the National Food Security Act, 2013 and the same are effective from the date of its publication i.e. 30th September, 2015.**

The salient features of Mid Day Meal Rules 2015 are as under:

- i. Strengthen quality by making testing of food samples mandatory.
- ii. Strengthen regularity by allowing temporary use of other funds in case of non-availability of MDM funds in the school and fixing responsibility in case of continued failure to serve MDM in schools.
- iii. Enhanced role of School Management Committees in supervision of MDM in schools.
- iv. Supply of foodgrains at NFSA rates of Rs. 3 per k.g. for rice and Rs. 2 per k.g. for wheat instead of BPL rates of Rs. 5.65 and Rs. 4.15 per k.g. respectively.
- v. Food security allowance to be paid by the State Government, if MDM is not provided in school on any school day due to non-availability of food grains, cooking cost, fuel or absence of cook-cum-helper or any other reason.

## Agenda No. 4: Implementation of Automated Monitoring System (AMS) for real time monitoring of MDMS

- ❑ It has been decided to implement the proposed monitoring project through the State/UT Governments.
- ❑ The States / UTs will set up a suitable system of data collection from schools on a daily basis and use it for purposes of monitoring and timely follow up action.

# Steps taken for implementation of AMS

- ❑ The NIC has developed a Central portal. The portal will be hosted on NIC cloud for which necessary arrangements are in place.
- ❑ The data formats for collection of master data and daily data to be pushed to Central Portal shared by NIC with all States/ UTs
- ❑ The DPRs / contract documents of the IVRS of U.P. and Bihar shared with States/ UTs.
- ❑ NIC Himachal Pradesh has developed monitoring system with SMS based mode of data collection which is being tested by the State at present.

## Agenda No. 5: Social Audit of the Scheme

It was advised to all States to undertake social auditing of the MDMS. So far Bihar, Maharashtra, Odisha, Karnataka, Punjab, Uttar Pradesh, Telangana, Nagaland and Andhra Pradesh have completed the social audit and it is in progress in Madhya Pradesh, West Bengal, Rajasthan and Tamil Nadu.

Some of the positive findings of the social audit are as under:

- MDM is being served in almost all the visited schools and Students are satisfied over the quantity and quality of food served
- No discrimination on the basis of caste, gender and community in cooking or serving or seating.
- Quality of food grain was found to be of satisfactory quality in maximum schools in the States.
- Most of the children and parents in Odisha want the quantity of rice per child to be increased.
- There is a provision of drinking water/water filters/RO system in many of the visited schools.
- Most of the head teachers in Bihar felt IVRS system is an effective medium of monitoring MDMS on daily basis.

## **Some of the areas of concern are as under:**

- Delay in reaching cooking cost from State to school levels in some schools in Bihar, Maharashtra and Punjab.
- Delay and irregular payment to cook-cum-helpers in Maharashtra and Uttar Pradesh.
- Convergence with Rashtriya Bal Swasthya Karyakram (RBSK) requires strengthening.
- Fire wood as fuel is mainly used and LPG supply is generally inadequate and irregular.
- Monitoring and supervision by the state and district officials of the scheme is minimal in majority of the visited schools.
