D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

Dear Ms Tanvi?

As you are aware that the Mid Day Meal Scheme(MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. In this connection a D.O. letter of even number dated 8th March, 2016 from the Secretary, Department of School Education & Literacy to Education Secretaries of States/UTs was issued regarding rolling out of AMS. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs including your State/UT have already rolled out the AMS and started pushing the data in the central server on daily basis. However, the data is being captured from a limited number of schools from your State. (*Details given at Annexure-I*).

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's office and the complete project had to be rolled out by 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held during February and March, 2017. Moreover, such a small data cannot be a representative sample of the number of beneficiaries availing MDM in the schools on a daily basis. Hence, there is an urgent need to report the data from all the schools. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into this matter personally and advise the concerned authorities in your State to capture daily data from all the schools and push it into the Central Server on the AMS platform.

With regards,

Yours sincerely,

(Ajay Tirkey)

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

- Ref. 1. Letter dated 8th March, 2016 from Secretary (SE&L)
2. Letter dated 29th December, 2016 from Joint Secretary.

Dear Sh. Baidal,

As you are aware that the Mid Day Meal Scheme (MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs have already rolled out the AMS and started pushing the data in the central server on daily basis. However, your State/UT has not yet rolled out the AMS as on date. (State-wise details given at Annexure-I).

In order to facilitate the States/UTs in timely and easy implementation of the system, the National Informatics Centre, Himachal Pradesh has developed 'MDM Automated Reporting & Management System' (MDM-ARMS) for collection of daily meals served data from schools for real time monitoring of MDMS. For using the MDM-ARMS system developed by HP-NIC, the States/UTs simply have to fill the on boarding form and share the data on mobile numbers of the teachers in a prescribed format and submit the same to NIC, HP. The software is hosted on NIC cloud at <http://mdmhp.nic.in>. In this connection you may also like to depute your officials to Himachal Pradesh for training/orientation through NIC, H.P.

Contd. . . .

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's Office and the last date of rolling out of the project was 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held from February to March, 2017 and it was assured by your State/UT that the project would be rolled by 30th April, 2017. Hence, there is an urgent need to roll out the said project on immediate basis. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into the matter personally and advise the concerned authorities in your State to rollout the project urgently.

With regards,

Yours sincerely,

(Ajay Tirkey)

Dated 18th May, 2017

Dear *Sh. Vikas Sheel*,

As you are aware that the Mid Day Meal Scheme(MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. In this connection a D.O. letter of even number dated 8th March, 2016 from the Secretary, Department of School Education & Literacy to Education Secretaries of States/UTs was issued regarding rolling out of AMS. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs including your State/UT have already rolled out the AMS and started pushing the data in the central server on daily basis. However, the data is being captured from a limited number of schools from your State. (*Details given at Annexure-I*).

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's office and the complete project had to be rolled out by 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held during February and March, 2017. Moreover, such a small data cannot be a representative sample of the number of beneficiaries availing MDM in the schools on a daily basis. Hence, there is an urgent need to report the data from all the schools. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into this matter personally and advise the concerned authorities in your State to capture daily data from all the schools and push it into the Central Server on the AMS platform.

With regards,

Yours sincerely,

(Ajay Tirkey)

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

Dear *Sh. Das,*

As you are aware that the Mid Day Meal Scheme(MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. In this connection a D.O. letter of even number dated 8th March, 2016 from the Secretary, Department of School Education & Literacy to Education Secretaries of States/UTs was issued regarding rolling out of AMS. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs including your State/UT have already rolled out the AMS and started pushing the data in the central server on daily basis. However, the data is being captured from a limited number of schools from your State. (*Details given at Annexure-I*).

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's office and the complete project had to be rolled out by 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held during February and March, 2017. Moreover, such a small data cannot be a representative sample of the number of beneficiaries availing MDM in the schools on a daily basis. Hence, there is an urgent need to report the data from all the schools. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into this matter personally and advise the concerned authorities in your State to capture daily data from all the schools and push it into the Central Server on the AMS platform.

With regards,

Yours sincerely,

(Ajay Tirkey)

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

- Ref. 1. Letter dated 8th March, 2016 from Secretary (SE&L)
2. Letter dated 29th December, 2016 from Joint Secretary.

Dear *En. Farooq,*

As you are aware that the Mid Day Meal Scheme (MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs have already rolled out the AMS and started pushing the data in the central server on daily basis. However, your State/UT has not yet rolled out the AMS as on date. (State-wise details given at **Annexure-I**).

In order to facilitate the States/UTs in timely and easy implementation of the system, the National Informatics Centre, Himachal Pradesh has developed 'MDM Automated Reporting & Management System' (MDM-ARMS) for collection of daily meals served data from schools for real time monitoring of MDMS. For using the MDM-ARMS system developed by HP-NIC, the States/UTs simply have to fill the on boarding form and share the data on mobile numbers of the teachers in a prescribed format and submit the same to NIC, HP. The software is hosted on NIC cloud at <http://mdmhpn.nic.in>. In this connection you may also like to depute your officials to Himachal Pradesh for training/orientation through NIC, H.P.

Contd. . . .

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's Office and the last date of rolling out of the project was 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held from February to March, 2017 and it was assured by your State/UT that the project would be rolled by 30th April, 2017. Hence, there is an urgent need to roll out the said project on immediate basis. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into the matter personally and advise the concerned authorities in your State to rollout the project urgently.

With regards,

Yours sincerely,

(Ajay Tirkey)

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

Dear *Sh. Tariq,*

As you are aware that the Mid Day Meal Scheme(MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. In this connection a D.O. letter of even number dated 8th March, 2016 from the Secretary, Department of School Education & Literacy to Education Secretaries of States/UTs was issued regarding rolling out of AMS. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs including your State/UT have already rolled out the AMS and started pushing the data in the central server on daily basis. However, the data is being captured from a limited number of schools from your State. (*Details given at Annexure-f*).

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's office and the complete project had to be rolled out by 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held during February and March, 2017. Moreover, such a small data cannot be a representative sample of the number of beneficiaries availing MDM in the schools on a daily basis. Hence, there is an urgent need to report the data from all the schools. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into this matter personally and advise the concerned authorities in your State to capture daily data from all the schools and push it into the Central Server on the AMS platform.

With regards,

Yours sincerely,

(Ajay Tirkey)

Shri Tariq Thomas
Secretary (Education),
U.T of Lakshadweep,
Kavaratti- 682555,

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

- Ref. 1. Letter dated 8th March, 2016 from Secretary (SE&L)
2. Letter dated 29th December, 2016 from Joint Secretary.

Dear Sh. Wahlang,

As you are aware that the Mid Day Meal Scheme (MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs have already rolled out the AMS and started pushing the data in the central server on daily basis. However, your State/UT has not yet rolled out the AMS as on date. (State-wise details given at Annexure-I).

In order to facilitate the States/UTs in timely and easy implementation of the system, the National Informatics Centre, Himachal Pradesh has developed 'MDM Automated Reporting & Management System' (MDM-ARMS) for collection of daily meals served data from schools for real time monitoring of MDMS. For using the MDM-ARMS system developed by HP-NIC, the States/UTs simply have to fill the on boarding form and share the data on mobile numbers of the teachers in a prescribed format and submit the same to NIC, HP. The software is hosted on NIC cloud at <http://mdmhp.nic.in>. In this connection you may also like to depute your officials to Himachal Pradesh for training/orientation through NIC, H.P.

Contd. . . .

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's Office and the last date of rolling out of the project was 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held from February to March, 2017 and it was assured by your State/UT that the project would be rolled by 30th April, 2017. Hence, there is an urgent need to roll out the said project on immediate basis. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into the matter personally and advise the concerned authorities in your State to rollout the project urgently.

With regards,

Yours sincerely,

(Ajay Tirkey)

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

Dear *Sh. Lalchhuanga*,

As you are aware that the Mid Day Meal Scheme(MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. In this connection a D.O. letter of even number dated 8th March, 2016 from the Secretary, Department of School Education & Literacy to Education Secretaries of States/UTs was issued regarding rolling out of AMS. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs including your State/UT have already rolled out the AMS and started pushing the data in the central server on daily basis. However, the data is being captured from a limited number of schools from your State. (*Details given at Annexure-f*).

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's office and the complete project had to be rolled out by 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held during February and March, 2017. Moreover, such a small data cannot be a representative sample of the number of beneficiaries availing MDM in the schools on a daily basis. Hence, there is an urgent need to report the data from all the schools. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into this matter personally and advise the concerned authorities in your State to capture daily data from all the schools and push it into the Central Server on the AMS platform.

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

- Ref. 1. Letter dated 8th March, 2016 from Secretary (SE&L)
2. Letter dated 29th December, 2016 from Joint Secretary.

Dear Mr. Solo,

As you are aware that the Mid Day Meal Scheme (MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs have already rolled out the AMS and started pushing the data in the central server on daily basis. However, your State/UT has not yet rolled out the AMS as on date. (State-wise details given at Annexure-I).

In order to facilitate the States/UTs in timely and easy implementation of the system, the National Informatics Centre, Himachal Pradesh has developed 'MDM Automated Reporting & Management System' (MDM-ARMS) for collection of daily meals served data from schools for real time monitoring of MDMS. For using the MDM-ARMS system developed by HP-NIC, the States/UTs simply have to fill the on boarding form and share the data on mobile numbers of the teachers in a prescribed format and submit the same to NIC, HP. The software is hosted on NIC cloud at <http://mdmhp.nic.in>. In this connection you may also like to depute your officials to Himachal Pradesh for training/orientation through NIC, H.P.

Contd. . . .

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's Office and the last date of rolling out of the project was 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held from February to March, 2017 and it was assured by your State/UT that the project would be rolled by 30th April, 2017. Hence, there is an urgent need to roll out the said project on immediate basis. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into the matter personally and advise the concerned authorities in your State to rollout the project urgently.

With regards,

Yours sincerely,

(Ajay Tirkey)

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

Dear Ms. Ranjana,

As you are aware that the Mid Day Meal Scheme(MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. In this connection a D.O. letter of even number dated 8th March, 2016 from the Secretary, Department of School Education & Literacy to Education Secretaries of States/UTs was issued regarding rolling out of AMS. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs including your State/UT have already rolled out the AMS and started pushing the data in the central server on daily basis. However, the data is being captured from a limited number of schools from your State. (*Details given at Annexure-I*).

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's office and the complete project had to be rolled out by 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held during February and March, 2017. Moreover, such a small data cannot be a representative sample of the number of beneficiaries availing MDM in the schools on a daily basis. Hence, there is an urgent need to report the data from all the schools. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into this matter personally and advise the concerned authorities in your State to capture daily data from all the schools and push it into the Central Server on the AMS platform.

With regards,

Yours sincerely,

(Ajay Tirkey)

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

- Ref. 1. Letter dated 8th March, 2016 from Secretary (SE&L)
2. Letter dated 29th December, 2016 from Joint Secretary.

Dear *Sh. G.P. Upadhyay*,

As you are aware that the Mid Day Meal Scheme (MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs have already rolled out the AMS and started pushing the data in the central server on daily basis. However, your State/UT has not yet rolled out the AMS as on date. (State-wise details given at Annexure-I).

In order to facilitate the States/UTs in timely and easy implementation of the system, the National Informatics Centre, Himachal Pradesh has developed 'MDM Automated Reporting & Management System' (MDM-ARMS) for collection of daily meals served data from schools for real time monitoring of MDMS. For using the MDM-ARMS system developed by HP-NIC, the States/UTs simply have to fill the on boarding form and share the data on mobile numbers of the teachers in a prescribed format and submit the same to NIC, HP. The software is hosted on NIC cloud at <http://mdmhp.nic.in>. In this connection you may also like to depute your officials to Himachal Pradesh for training/orientation through NIC, H.P.

Contd. . . .

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's Office and the last date of rolling out of the project was 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held from February to March, 2017 and it was assured by your State/UT that the project would be rolled by 30th April, 2017. Hence, there is an urgent need to roll out the said project on immediate basis. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into the matter personally and advise the concerned authorities in your State to rollout the project urgently.

With regards,

Yours sincerely,

(Ajay Tirkey)

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

- Ref. 1. Letter dated 8th March, 2016 from Secretary (SE&L)
2. Letter dated 29th December, 2016 from Joint Secretary.

Dear *Sh. Manivasan*,

As you are aware that the Mid Day Meal Scheme (MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs have already rolled out the AMS and started pushing the data in the central server on daily basis. However, your State/UT has not yet rolled out the AMS as on date. (State-wise details given at Annexure-f).

In order to facilitate the States/UTs in timely and easy implementation of the system, the National Informatics Centre, Himachal Pradesh has developed 'MDM Automated Reporting & Management System' (MDM-ARMS) for collection of daily meals served data from schools for real time monitoring of MDMS. For using the MDM-ARMS system developed by HP-NIC, the States/UTs simply have to fill the on boarding form and share the data on mobile numbers of the teachers in a prescribed format and submit the same to NIC, HP. The software is hosted on NIC cloud at <http://mdmhp.nic.in>. In this connection you may also like to depute your officials to Himachal Pradesh for training/orientation through NIC, H.P.

Contd. . . .

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's Office and the last date of rolling out of the project was 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held from February to March, 2017 and it was assured by your State/UT that the project would be rolled by 30th April, 2017. Hence, there is an urgent need to roll out the said project on immediate basis. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into the matter personally and advise the concerned authorities in your State to rollout the project urgently.

With regards,

Yours sincerely,

(Ajay Tirkey)

D.O. No.7-1/2016 MDM 2-1

Dated 18th May, 2017

Dear Madam,

As you are aware that the Mid Day Meal Scheme(MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. In this connection a D.O. letter of even number dated 8th March, 2016 from the Secretary, Department of School Education & Literacy to Education Secretaries of States/UTs was issued regarding rolling out of AMS. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs including your State/UT have already rolled out the AMS and started pushing the data in the central server on daily basis. However, the data is being captured from a limited number of schools from your State. (*Details given at Annexure-I*).

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's office and the complete project had to be rolled out by 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held during February and March, 2017. Moreover, such a small data cannot be a representative sample of the number of beneficiaries availing MDM in the schools on a daily basis. Hence, there is an urgent need to report the data from all the schools. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into this matter personally and advise the concerned authorities in your State to capture daily data from all the schools and push it into the Central Server on the AMS platform.

With regards,

Yours sincerely,

(Ajay Tirkey)

Dated 18th May, 2017

- Ref. 1. Letter dated 8th March, 2016 from Secretary (SE&L)
2. Letter dated 29th December, 2016 from Joint Secretary.

Dear *Sr. Swamyant*,

As you are aware that the Mid Day Meal Scheme (MDMS) is a very important flagship program implemented in more than 11 lakh schools across the country covering more than 10 crore children. The effective implementation of the Scheme requires close monitoring at all levels across the country. Accordingly it was decided to put in place an Automated Monitoring System (AMS) for real time monitoring of MDMS through technological intervention such as Short Message Service (SMS)/ Interactive Voice Response System (IVRS)/ Mobile Application/ Web Enabled System. The States/UTs were also requested to push the captured data in the central server of NIC.

This is to inform you that as on date 27 States/UTs have already rolled out the AMS and started pushing the data in the central server on daily basis. However, your State/UT has not yet rolled out the AMS as on date. (State-wise details given at Annexure-I).

In order to facilitate the States/UTs in timely and easy implementation of the system, the National Informatics Centre, Himachal Pradesh has developed 'MDM Automated Reporting & Management System' (MDM-ARMS) for collection of daily meals served data from schools for real time monitoring of MDMS. For using the MDM-ARMS system developed by HP-NIC, the States/UTs simply have to fill the on boarding form and share the data on mobile numbers of the teachers in a prescribed format and submit the same to NIC, HP. The software is hosted on NIC cloud at <http://mdmhp.nic.in>. In this connection you may also like to depute your officials to Himachal Pradesh for training/orientation through NIC, H.P.

Contd. . . .

It is pertinent to mention that the implementation of this project is being closely monitored by the Prime Minister's Office and the last date of rolling out of the project was 1st July, 2016. The said issue was also discussed in the PAB-MDM meetings held from February to March, 2017 and it was assured by your State/UT that the project would be rolled by 30th April, 2017. Hence, there is an urgent need to roll out the said project on immediate basis. If there are any queries on this issue than please contact with Sh. Rajat Gupta, Sr. Consultant (MIS) on phone No.9958691366 and email id rajatgupta.mdm@gmail.com.

I would request you to kindly look into the matter personally and advise the concerned authorities in your State to rollout the project urgently.

With regards,

Yours sincerely,

(Ajay Tirkey)
