

# Management Information System

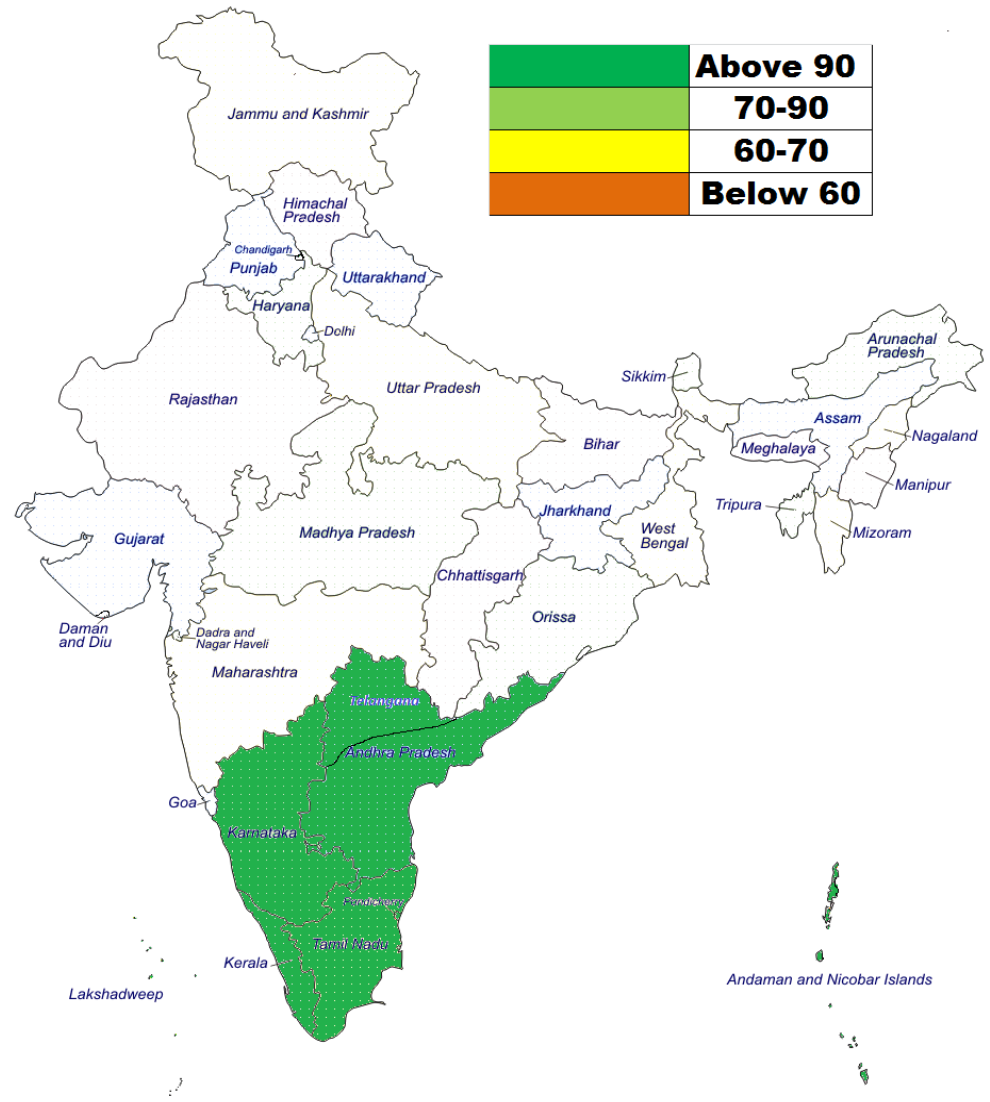

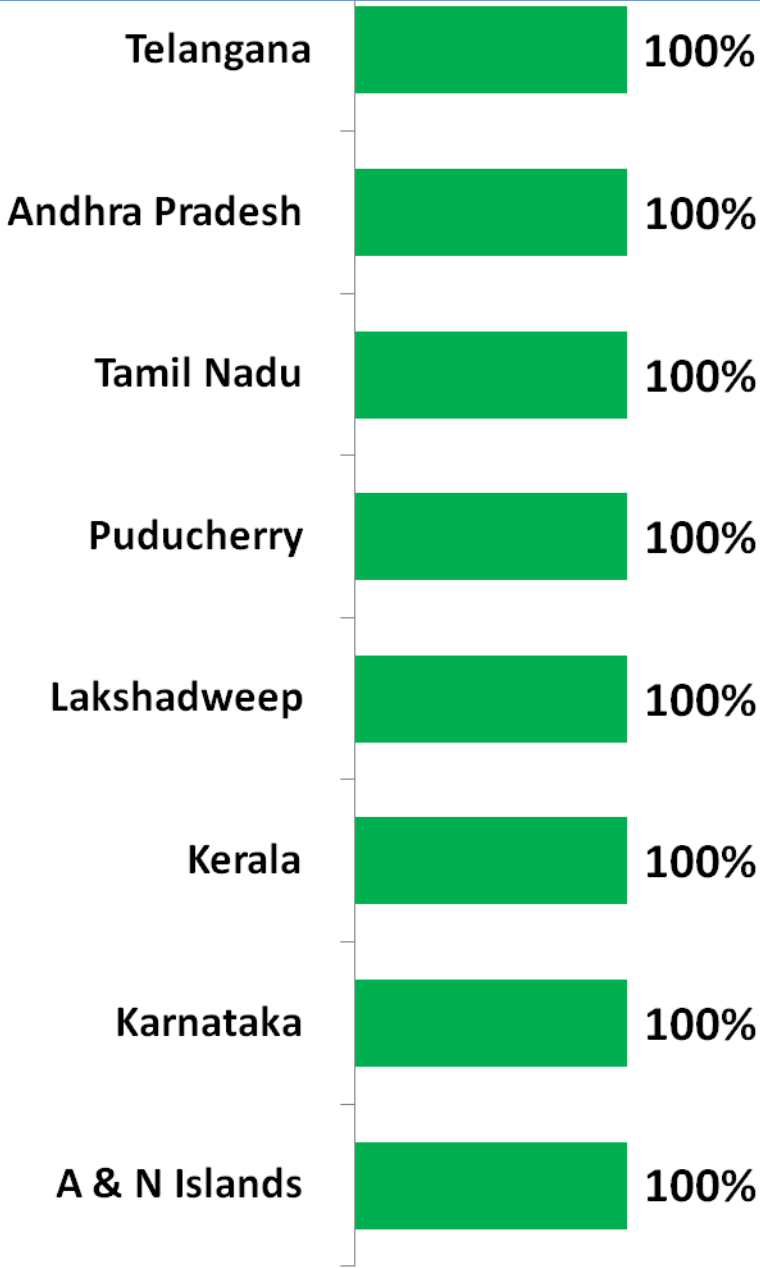

# Achievements

- ✓ **Annual data entered for 99% schools in FY 2014-15**
- ✓ **Monthly data (avg.) entered for 93% schools in FY 2014-15**
- ✓ **Availability of database containing valuable micro and macro level data for Financial Year 2012-13 to 2014-15.**
- ✓ **Availability of offline data entry module for blocks/districts with poor internet connectivity**
- ✓ **Auto generation of Annual Work Plan & Budget reports**
- ✓ **Access of crucial reports to users at Centre, State, District and Block for timely intervention**

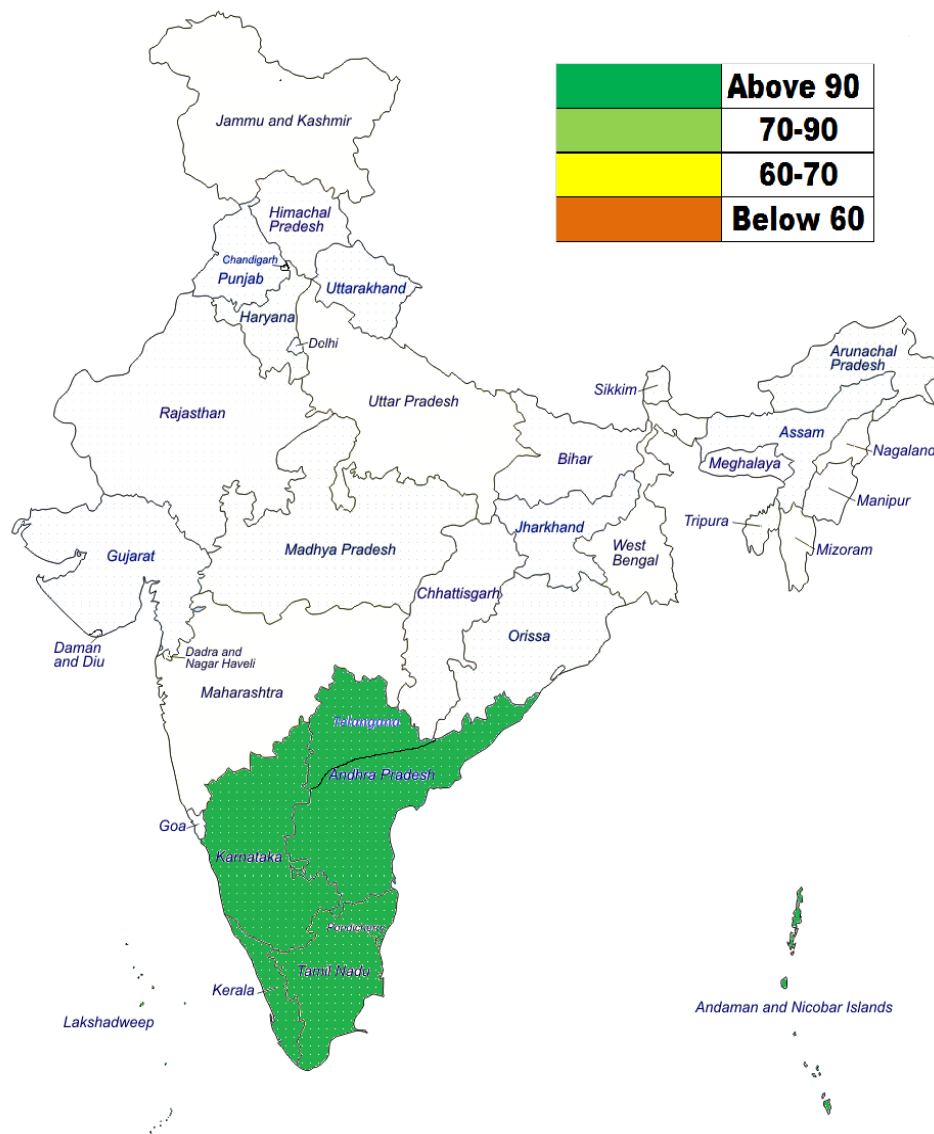

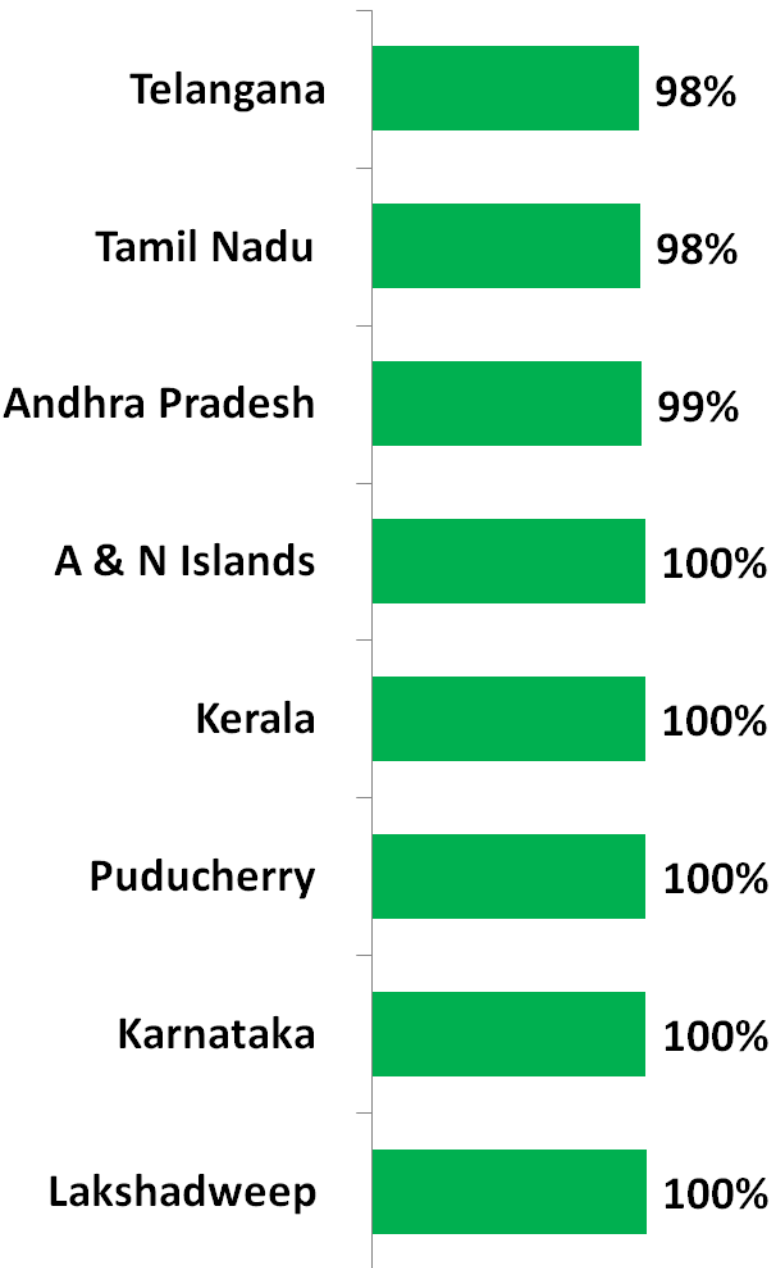

# Areas of concern

- **Timely entry of data into portal**
- **Quality of data entry into portal need to be closely monitored**
- **Need for utilization of MIS data for monitoring and planning purposes**
- **Submission of Annual Work Plan & Budget through MIS**
