

KERALA

- There is a Noon Feeding Supervisor in the district. The supervisor visits the schools and examines the food served and verifies the stock and other records. The Assistant Educational Officer, District Educational Officer and Deputy Director Education visit the schools and monitor the mid day meal scheme. Vehicle is provided to all Deputy Directors Education for their school visit. There is a committee at school level for the implementation and monitoring the scheme
- The Noon Feeding Supervisors, the Dist Educational Officers and Assistant Educational Officers are engaged for the monitoring the scheme. The SMCs at various levels are functioning properly.
- The Noon Feeding Supervisor is the officer engaged for inspection of the MDM centers in the District. He could cover only 60 to 70 percent institutions.
- There is no adverse comment received from the monitoring institution so far.
