3.3 Comparison of Data from MIS and AWP&B

COMPONENT	MIS	AWP&B
Institutions	45863	45505
Working Days	219	220
Coverage of children	2354146	2620174
CCH engaged	84930	88296
CCH Hon. (Rs. in Lakhs)	12275.2	8829.6
Cooking Cost (Rs. in Lakhs)	16630.36	36879

As per the above table it's clear that there is a mismatch in the data entered in MDM-MIS and data furnished in AWP&B 2018-19, in respect of the major indicators like coverage of children, Cook cum helpers engaged, amount of honorarium paid, cooking cost and utilization of food grains. State used only rice but while entering utilisation data entered both rice and wheat utilization data in the MIS portal, State Government should monitor and take necessary action to ensure that correct data is entered in MDM-MIS.

The graphical representation of the differences in data from MDM-MIS and as submitted by the State through Annual Work Plan & Budget is given below:

3.4 Automated Monitoring System

NIC has developed app for collecting data of the students attendance / Meals taken under MDM Scheme. AP online has developed SMS system for obtaining attendance where app facility is not available. After completion of MDM the teacher / HM concern report the data on MDM Attendance / Meals Taken will be posted by the HM through the app in between 12.30 P.M to 8.00 P.M and SMS from 12.30 PM to 08.00 PM both the data will be integrated and linked to the State and Central portal. The data submitted through AMS is used for the review of scheme in the State.

4. Release of funds

Earlier, the Government of Andhra Pradesh released funds under Green Channel Scheme without waiting for the Central Release. Now, the Green Channel Scheme practice is kept in abeyance temporarily and the State Government is releasing funds after getting from the GOI. The State Government releases the funds to the District Education Officers (DEOs) through treasuries and the DEOs release the required budget to the Mandals. The Head Masters (HMs) raise the bills as per meals availed in their schools to the Mandal Educational Officers (MEO). The MEOs after scrutinizing the claims, release the amount to the agencies through Treasury. Entire transfer of funds from state to school level takes place through Treasuries and from Sub-Treasury to School/Agency accounts through e-transfer.

From September 2017 the payments of honorarium to CCHs and Cooking Cost are being made through Centralized Payment System. The payment on reaming aspects/ items will also be brought under Centralized Payment System from the year 2018-19.

5. Capacity Building

two documentary movies have been made for training of cook-cum-helpers. Calendars and Standard Operating Procedures books and CDs have been prepared and printed in the Telugu with the cooperation of UNICEF and distributed to the districts for again distributing the same to school level and make available for the cook cum helpers and other agencies involved in the scheme. Meetings have been conducted with parents in each School regularly with the cooperation of SMCs to motivate parents are motivated and also to generate awareness.

6. Tasting of Meal

There is a separate register maintaining and keep writing the comments by the parents and concerned authorities. The parents are encouraged to taste the food every day to bring confidence to them that their children are served quality food at school. Head Teachers and concerned teachers taste the food before serving the food every day. Training is conducted for all Cook Cum Helpers regarding all the safety measures for cooking the meal.

7. Grievance Redressal Mechanism

In coordination with RVM (SSA), a web portal is also being maintained to address the grievances regularly. Online mechanism is also there. At State level Grievance cell is being monitored by State office. At District level, the District Collectors conduct 'Grievance Day' in their office and received any complaints on the specified day i.e., every Monday. Total 36 complaints were received during the year. Grievances are received by media, sms, postal system and also directly from the affected person.

. 8. Contingency Plan to avoid any untoward incident

Wall writings and paintings have made with important phone numbers on the school compound walls also made on kitchen sheds. We associated with the Primary Health Centre/Community Health Centre/District Hospital to provide medical treatment to the children. The District authorities are responsibility to ensure that prompt medical attention is provided to children in the nearby medical facility or by deputing a doctor to the school immediately.

A systematic monitoring has been implementing to avoid any untoward incident under MDM scheme. Instructions were issued to all the Collectors/RJDSEs/DEOs to take all necessary steps to avoid any untoward incident in the school. If any such accident does occur in the school, the Head Master is the responsibility to inform the District Educational Officer/ District Health Officer/District Magistrate without any delay.
