## Demographic profile of Gujarat state:

Mid Day Meal scheme is implemented for each and every child of all Govt. and Govt. Aided schools studying in primary and upper primary. It is heartening to note that the Mid Day Meal scheme is running successfully in Gujarat and all important parameters show a steady and significant improvement.

## **1.1** Brief history:

Gujarat was the second state in the country to have started Mid Day Meal scheme in 1984. It involves provision of hot cooked meal free of cost to school-children on all working days. It aims at increasing enrollment rate, reducing dropout rate and reducing burden of poverty on poor parents and caste discrimination in the society.

### The three major goals for MDM are as under:

- a) Child nutrition,
- b) Educational advancement and
- c) Social equity.

In addition, the Mid-Day Meal Scheme is viewed as an opportunity to inculcate hygiene and sanitation practices among children.

National Programme of Nutritional Support to Primary Education (**NP-NSPE**) was launched as a Centrally Sponsored Scheme on 15 Aug, 1995 with intent to increase enrollment, retention and attendance of school going children. This was launched initially in 2408 blocks in the country, by the year 1997-98 the NP-NSPE was introduced in all blocks of the country. Today, the NP-NSPE is the world's largest school meal programme covering around 12 Crore children in over 9.50 Lacs schools across India. The programme involves contribution from Central and State Government.

### **1.2** Management structure

At the State level the programme is administered by the Commissioner (MDM), who is supported by one Joint Commissioner, two Assistant Commissioners.

At the District/Municipal level, the Collector/ Municipal Commissioner is in over all charge and is assisted by one Deputy Collector/ Mamlatdar, and a team of three support staff, including deputy Mamlatdar (Administration), Deputy Mamlatdar (Inspection) and Deputy Mamlatdar (Accounts).

At taluka (block) level the taluka Mamlatdar is in overall charge of the program, supported by a full-time deputy Mamlatdar (Administration) and Deputy Mamlatdar (Accounts). At school level Organizers, Cooks and Helpers are appointed to cook and distribute the mid-day meal. School Management Committee is also expected to supervise the overall working of scheme.

 In order to strengthen monitoring contractual posts are recruited at district and block levels as per the Education Department's GR dated 24/12/2013 and 26/12/2013. Status is as follows.

Contractual Post	Sanctioned	Filled
District Project Coordinator	39	31
MDM Supervisor (Block)	310	201

## **1.3** Process of Plan Formulation at State and District level.

A bottom up approach is taken for plan formulation for MDM. The flow of information for plan formulation starts from the school level. The school sends the proposal to Block offices. The Block office consolidates /scrutinizes the proposal and sends to Collector at District level, who after compilation / scrutinizing forwards it to Commissioner of MDM. the proposal received from concerned districts is compiled/ scrutinized as per norms prescribed by Government of India and sent the same to Education Department for approval. After approving the plan, the State Government forwards the same to Government of India.

# Chapter: 2. Description and assessment of the programme Implemented in the current year (2018-19) and Proposal for next year (2019-20) with reference to:

2.1 Regularity and wholesomeness of mid - day meals served to children; interruptions if any and the reasons therefore problem areas for regular serving of meals and action taken to avoid Interruptions in future.

The Mid Day Meal in the state is being supplied regularly without any interruption in 2018-19 as per guidelines of Ministry of HRD to all the students of primary and upper primary classes in the respective schools by different implementing agencies. It can be observed that the coverage of children has 78.72% and 77.26 % for primary and upper-primary classes on 31.03.2018 as against 74.77% and 78.84 % as on 31/3/2019.

# The report of monitoring agency Sigma Research Pvt Ltd, New Delhi highlights

- The satisfaction level of availability of eating utensils is high in Valsad district (98%), Panchamahal district (95%), Gir Somanath district (85%) and Ahmadabad (65%).
- The satisfaction levels about various infrastructure facilities of MDM are mostly satisfactory across all the districts as well as location of schools under consideration, with an edge over in Valsad district and schools located in rural and urban areas.
- Overall, it can be inferred that large number of schools is lifting food grains from fair price shops irrespective of type of school or location either rural-urban or district.
- It can be derived that, with a few exceptions, a marginally greater percentage of schools, irrespective of their category and location have metallic containers for storing food grains and other ingredients,

- A large percentage of cooks-cum-helpers is being received a monthly honorarium of Rs 1600 irrespective of category and location of schools as well as across the districts.
- The major mode of payment of honorarium is e-transfer, irrespective of category of school and location of schools as well as across districts.

# 2.2 System for cooking, serving and supervising mid-day meals in the schools

Each centre is entrusted with one overall supervisor, "organizer/ sanchalak". Each Sanchalak has a cook and helper with him/her. Cook is responsible for cooking the meal as per the prescribed menu and helper is entrusted with the task of maintain hygiene. A teacher /principal of the school are also given the responsibility to see that the cooking and serving meal is properly done. A teacher has been entrusted with the task of participating and eating with the children.

In the State of Gujarat, mid day meal is being prepared with the help of L.P.G stoves, all centers have been provided with L.P.G connection. This improved the environment of the kitchen and health of the cooks.

Regular tasting of food before serving to children by teachers and entry in the register is scrupulously followed. The inspection norms for the MDM centers are also followed at the Block and District level. The MDM supervisors also visit schools regularly to ensure safe and healthy food.

# 2.3 Details about weekly Menu.

### 2.3.1 Weekly Menu – Day wise

 As per guideline of MDM we have to provide nutritional and hot food to children. As per guideline of MDM Calories and protein values are as below,

Components	Primary	Upper Primary
Calories	450 cal.	700 cal.
Protein	12 gms.	20 gms.
Micro-nutrients	Adequate qualit	ies of Micro- Nutrients
	like Iron, Folic Ad	cid, Vitamin- A etc.

• To provide 450 calories and 700 calories we give 180 gram (primary) and 265 gram (upper primary) food grains. When this food grain is cooked its weight becomes almost double of the food grain approximately 400 grams.

Now it is observed that the students of Primary and Upper Primary can't take this much food intake at a time. Hence Government has decided to divide meal into two parts (1) Breakfast (2) Lunch which, is as below,

DAY	BREAK FAST	LUNCH	
Monday	Sukhdi	Vegetable khichdi	
Tuesday	Chana Chat	Thepala & Sukhi Bhaji	
WednesDay Mix Dal/ Usal		Vegetable Pulav	
Thursday Chana Chat		Dal Dhokli	
Friday	Muthiya	Dal-Bhat	
Saturday	Chana Chat	Vegetable Pulav	

2.3.2 Additional Food items provided (fruits/milk/any other items), if any from State/UT resources. Frequency of their serving along with per unit cost per day.
