**Mid Day Meal Programme
Annual Work Plan & Budget 2019-20**

1. Introduction:

1.1 Brief history

Mid-Day-Meal Scheme was launched on 15 August, 1995 in the 44 educationally backward Community Development blocks of 6 districts of the State at primary level. Free dry food grains @ 3.0 Kg. (1.5 kg wheat and 1.5 kg rice) per child per month were distributed. In 1995-96 cooked food was provided in 17 blocks of these 6 districts- Bhiwani, Hisar, Mahendergarh, Rewari, Kaithal and Sirsa. The State Government spent Rs. 1.45 per child per school day as cooking cost for this. In the year 1996-97, the scheme of cooked meal was extended to 44 more blocks (educationally backward blocks). In the year 1996-97 itself distribution of dry food grains @ 3.0 Kg per child per month was started. In January 2003, cooked food as Mid-Day-Meal was started in 17 blocks. These blocks were having population which was economically backward and educationally backward. The cooked food was started in all the Govt., Local Bodies, and Govt. Aided Primary Schools from 15.08.2004. The scheme was extended to all middle schools also during the year 2008-09. Govt. of India provides wheat & Rice for this scheme. It is essential to serve 100 gms cooked rice/wheat to the students of primary and 150 gms cooked rice/wheat to the students of middle classes. 1.2 Management structure

1.3 Process of Plan Formulation at State and District level.

A system has been developed to collect monthly, quarterly and yearly data regularly for smooth running of MDM Scheme. For formulation of plan, Block Elementary Education Office of every block collects the data from every school and after compiling it on block level, it is submitted to District Elementary Education Office at district level. District Elementary Education Office compiles it at district level and after that State plan is formulated at the Directorate level. During compilation of plan at state level, monthly and quarterly reports of the districts are also taken for assessment of the data, submitted by the districts. Cooking Cost, honorarium to cooks, kitchen sheds cum store amount is calculated on the basis of 60:40. 60% is borne by Centre Govt. and rest of 40% is borne by State Govt. Districts are being asked to calculate cooking cost and honorarium to cooks on the strength of enrolment of students studying in primary & Upper Primary Govt., Govt. aided and Local bodies Schools, no. of days and rate of cooking cost. Meetings are held at headquarter and at district level with district level functionaries regarding preparation of annual work plan.

2. Description and assessment of the programme implemented in the current year (2018-19) and proposal for next year (2019-20) with reference to:

2.1 Regularity and wholesomeness of mid - day meals served to children; interruptions if any and the reasons therefore problem areas for regular serving of meals and action taken to avoid Interruptions in future.

Clear directions have been issued to all the field officers that Mid-Day-Meal should be provided to students on all school days without any fault. Even then if there is any complaint regarding interruption in preparation of MDM, prompt action is taken at headquarter and district level. The work of lifting and supply of grains to schools has been handed over to Haryana State Cooperative Supply and Marketing Federation Limited (HAFED) from 01.04.2012.

Now MDM rules 2015 have been implemented in the state of Haryana therefore there is no possibility of interruption in serving Mid Day Meal to the children.

4. On 12th of every month District Elementary Education Officer will finalize the schedule of lifting of food-grains with Managing Director HAFED and further the same shall be distributed among the BEEOs.
5. District Elementary Education Officers and District Manager, FCI of the district concerned will inspect the quality of food-grains and ensure that good quality of food-grains are supplied to the schools of district.
6. Block Elementary Education officer will further inform the Head Teacher the schedule of distribution of food-grains and will ensure that the school teacher be present in the school on the date of delivery of the food-grains in the school.
7. Head of the school/MDM Incharge will inform the SMC well in advance about unloading of food-grains and SMC and Head Teacher will ensure the quality and quantity of the food-grains.

2.5.2 System for ensuring lifting of FAQ food grains (Joint inspections at the time of lifting etc.).

All the Districts were ordered to ensure FAIR AVERAGE QUALITY (FAQ) of food-grains received from FCI.

District Elementary Education Officers and District Manager, FCI of the district concerned will inspect the quality of food-grains and ensure that good quality of food-grains are supplied to the schools of district

2.5.3 Is there any incident when FAQ food grain was not provided by FCI. If so, the action taken by the State/District to get such food grain replaced with FAQ food grain. How the food grain of FAQ was provided to implementing agencies till replacement of inferior quality of food grain from FCI was arranged.

District Elementary Education Officers and District Manager, FCI of the district concerned will inspect the quality of food-grains and ensure that good quality of food-grains are supplied to the schools of district. Therefore no incident of not providing FAQ has taken place.

2.5.4 System for transportation and distribution of food grains

As the lifting and supply of food-grains through CONFED was not satisfactory the State Govt. has taken back this work from CONFED, and now the work of lifting and supply of grains to schools has been handed over to Haryana State

Cooperative Supply and Marketing Federation Limited (HAFED) from 01.04.2012.

2.5.5 Whether unspent balance of food grains with the schools is adjusted from the allocation of the respective implementing agencies (Schools/SHGs/Centralized Kitchens). Number of implementing agencies receiving food grains at doorstep level.

Yes, that food - grains are being released to most of the schools after adjusting the unspent balance of food-grains in the schools.

2.5.6 Storage facility at different levels in the State/District/Blocks/Implementing agencies after lifting of food grains from FCI depot.

All the schools have been provided storage bins.

2.5.7 System of fortification of food grains and their costing and logistics arrangement.

A meeting was held with HAFED and Food & Supplies Department under the Chairmanship of Director Elementary Education Department, Haryana on dated 03.05.2019.

At the outset, Dr. Vandana Disodia, HCS, Additional Director, Mid Day Meal informed that in the State Level Steering Cum Monitoring Committee (SMC) meeting held on 19.04.2019 under the Chairmanship of Worthy Chief Secretary, it has been decided to use fortified atta under Mid Day Meal Scheme from July, 2019 and that HAFED will supply fortified atta and fortified Oil in schools for use in mid day meal.

MD, HAFED informed that HAFED is capable of starting the fortified atta in the Govt. schools as a part of mid day meal scheme in a phased manner w.e.f. 01.07.2019. He proposed to introduce the same in six districts i.e. Ambala, Kaithal, Karnal, Kurukshetra, Panchkula and Sonipat initially, reasons being the availability of millers in these six districts only. He advised that in the first phase, these six districts may be considered for fortification and meanwhile MDM millers in other districts will be roped in and fortified atta will be introduced in rest of the districts subsequently. HAFED will carry the wheat from FCI godown to fortified atta mills and after fortification atta will be supplied by the HAFED to respective schools. The payment will be made by the concerned District Elementary Education Officer to

HAFED. District Elementary Education Officers will send the monthly requirement of fortified atta for whole district and school wise to HAFED. The durability of fortified atta is 60 days.

It was further decided that fortified Oil will be supplied by the HAFED. Accordingly District Elementary Education Officers will send the quarterly requirement of fortified Oil for all districts and school wise. Payment will be made by the concerned District Elementary Education Officer to HAFED.

It is also worthwhile to mention here that Government of India has to bear the expenses of fortification of atta and oil and supply of fortified atta and fortified Oil to the schools by HAFED.

2.5.8 Challenges faced and plan to overcome them.

District Elementary Education Officers and District Manager, FCI of the district concerned will inspect the quality of food-grains and ensure that good quality of food-grains are supplied to the schools of district.

Block Elementary Education officer will further inform the Head Teacher the schedule of distribution of food-grains and will ensure that the school teacher be present in the school on the date of delivery of the food-grains in the school.

Head of the school/MDM Incharge will inform the SMC well in advance about unloading of food-grains and SMC and Head Teacher will ensure the quality and quantity of the food-grains

Chances of non-delivery of food-grains are rare.

2.30 Details of new interventions envisaged under 5% flexi funds - For each intervention, please provide detailed information in the below template

2.30.1 Background Note

Govt. of India has directed vide letter No. 1-4/20180-Desk (MDM) dated 14.03.2019 first time for proposal of new interventions envisaged under 5% flexi funds. The approved funding pattern between the Centre and the States under National Programme of Mid Day Meal in Schools (NP-MDMS) will also be followed for these 5% funds of Annual Work Plan & budget (AWP&B) with the prior approval of MHRD. As per directions of Govt. of India flexi-funds shall not overlap the activities under the approved components of the scheme. The States should rather aim at improving the effectiveness of the scheme by addressing the gaps, if any, such as supplementary nutrition over and above the existing provisions, setting up kitchen gardens in schools etc. The States will ensure that 5% flexibility is not proposed for creation of capital assets such as construction of kitchen-cum-stores, dining halls, procurement/replacement of kitchen devices etc.

2.30.2 Objectives

Setting up of kitchen gardens in schools etc.

2.30.3 Rationale for the intervention

To improve the effectiveness of the scheme.

All DEEOs/BEEOs.

2.30.12 Outcome measurement

Skill development and interest of school children will improve.

2.30.13 Impact assessment

The effectiveness of the scheme will improve

2.30.14 Any other issues and Suggestions.

It is suggested that for implementation of the scheme a mid day meal scheme has been formed and contractual staff may be allowed to appoint for its smooth functioning. The present MME is too meager to manage the present salaries of the staff. Keeping in view of the same, the present amount in MME head may be enhanced with the view to increase interest in class room studies; education is imparted through EDUSAT network throughout the year. It is further suggested that to increase the enrolment of the children in Government Primary and Upper Primary schools an insurance of Rs. 5,00,000/- may be given to the parents of the students whose son/daughter dies while studying in Government school's so that enrolment of the children in Government Primary and Upper Primary schools may be increased. Further minimum of Rs. 200/- as stipend may also be given to every student who goes to study in Government schools so that enrolment of the students in Government schools may be increased. At present Ghee is provided 5Gm for each student which is not sufficient, hence it is suggested that the quantity of Ghee may be increased from 5Gm to 10Gm for each student. It is further suggested that uniform may be given to each student who goes to study in Govt. schools. It is also suggested that Additional Director, MDM may be authorized to engage staff on contractual on the basis of requirement through outsourcing as per instructions issued by the State Govt.
