## b. <u>Main Issues from appraisal:</u>

- I. Delay of 2 months in release of funds from State to School.
- II. Less coverage of 10 working days.
- III. Construction of 171 Kitchen cum Stores are yet to be started. As discussed in last PAB,
  Funds in respect of these 171 Kitchen cum stores (i.e. Central share of Rs. 220.40 Lakhs +
  Bank Interest) are yet to be surrendered by the State Government.
- IV. Less release of Minimum mandatory State share in Cooking cost.
- V. Very less DLC meeting conducted in districts (one meeting per month per district is mandatory).
- VI. Only 2303 (14%) Schools are having School Nutrition Gardens (SNG).
- VII. No training provided to Cook cum Helpers.
- VIII. No Block level setup is available to implement and monitor the scheme at School level.

#### c. <u>Best Practices:</u>

- I. State Govt. provides Rs. 1000/- per month over and above the Minimum mandatory state share for Honorarium to Cook cum Helpers from State resources,
- II. State Govt. provides Annual incentive to Cook cum Helpers from State resources,
- III. State Govt. provides Uniform to Cook cum Helpers from State resources,
- IV. State Govt. provides Atirikt Poshan (Banana, Egg, Gur Papri) once in a week to all the children from State resources,
- V. Food sample testing conducted in 60 Schools of districts of Dehradun & Haridwar.

#### **Part-A : General Information**

#### Introduction:

National Programme of Nutritional support of Primary Education (NP-NSPE) popularly known as the Mid-day-meal (MDM) scheme was formally launched on the 15<sup>th</sup> August 1995. The scheme envisaged every child in primary school to be provided cooked meal during the school hours with a maximum content of 450 calories and 12 gm of protein each day of school. Earlier state was the part of Uttar Pradesh before 8 Nov. 2000. In Uttar Pradesh dry ration distribution pattern was observed for Mid-day-meal scheme. Children enrolled in primary schools to receive food grain to carry it home every month in the presence of their parents. Only rice or wheat was provided to the children. It was not felt sufficient from nutritional point of view.

With these efforts there was a slight improvement in enrolment but retention of these children in scheme is still remaining a challenge to the department and government. According to Health check-up drive under DPEP-III and SSA, it was noticed that about 50% children enrolled in primary schools are anaemic. Percentage of girls child is little higher. This shows that the pattern of providing MDM is not up to the satisfaction of the children as far the enrolment and retention are concerned.

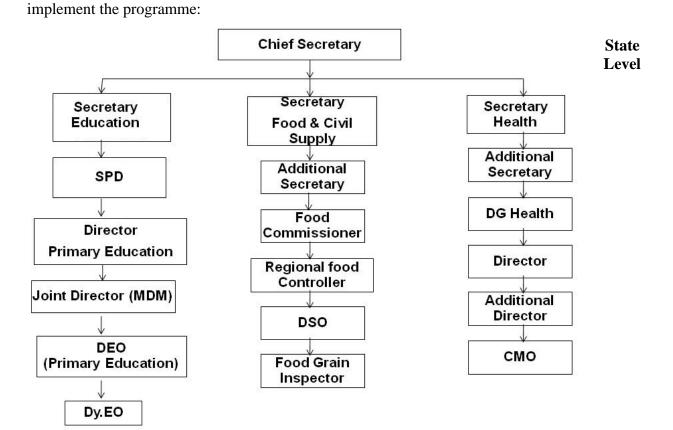

While deciding a PIL the honourable Supreme Court directed to the GOI through all states and UTs to provide cooked nutritious meal to all children enrolled in primary school during school hours. Following the order of the honourable Apex Court Govt of Uttarakhand started the scheme for the 1<sup>st</sup> time is Sahaspur block of district Dehradun in the year 2001-02. The impact was promising enough to extend this scheme to all 13 districts of the state. This was followed by implementing the scheme in 26 blocks of all the districts (2 blocks from each district) as the second phase of the scheme in the year 2002-03. The experiment was appreciated and hailed from all the quarters of the state so much so that now it has become the vehicle for attainment of the goal of universalization of education at primary level. The Govt of Uttarakhand through Department of Education implemented the scheme in all primary schools, aided primary schools, EGS/AIE centres in the year 2003-04. The scheme has been a 100% success in terms of coverage at primary level.

Encouraged with the success the MDM scheme has also been extended in Upper Primary Schools in Educationally Backward Blocks (EBB) with effect from 01 January 2008 and further extended in all Upper Primary Schools of the state from the year 01 April 2008.

The direction made by Principal Secretary on the scheme are most focused on sound structural organization, cleanliness, management for food supply, quality of food grain, availability of funds and fuel supply, cooking process, inter departmental coordination through District Magistrate and responsibilities of the officials of concerned programme. A full flashed committee i.e. School Management Committee is formed separately at school/village level to implement the scheme.

#### **1.1 Management Structure:**

At state level Department of Education is responsible for implementation of the scheme. Department of food and civil supply is responsible for providing food grains. At district level District Magistrate is deputed as a nodal officer. Under the guidance of District Magistrate, District Education Officer (Primary Education), and District Supply Officer (DSO) manages the mid day meal programme. At block level Dy. Education Officer is acting as nodal officer. Head Master and school management committee (SMC) is responsible for implementing the scheme at school level. The State Project Director (SPD) of "Uttarakhand council of Education for all" who is responsible for the overall monitoring and management of the programme.

There are following dedicated staffs at various levels to manage, monitor and

#### **1.3 Process of Plan Formulation:**

A bottom up approach is taken for plan formulation. The school sends the information to block offices where the information consolidates/scrutinizes and submitted to district level. At district level the plan was prepared according to block level information and submitted to state. The proposal received from the district is finalized at state level as per norms and guidelines prescribed by Government of India and sent the plan to "State Level Steering Cum Monitoring Committee" for approval; afterwards the State Government forwards the plan to Government of India.

The plan is based on the MDM-MIS data. Different level meetings were organised before preparation of AWP&B.

Above Data reflect that there is huge Mismatch between MIS and AWP&B 2020-21 in coverage of all the components of MDMS. It is requested to the State of Uttarakhand to look into the mismatch. Ideally there should not be any mismatch of the data in the sources. There is need to serious data entry should be in time bound manner by Block Respource Person of MDMs.

#### 3.4 Automated Monitoring System

Max. 70% schools covered under AMS upto 3rd Quarter of 2019-20. Out of 17045 Schools, Max. 11984 Schools has reported maximum between April – Dec. 2019. The less number is due to network problem in remote hilly region. Some of the HMs have been transferred or retired so the new mobile numbers have not been updated in the portal. It is suggested to State Govt. officials to instruct the HMs to update the mobile numbers in the portal at the earliest so that 100% data of the daily beneficiary is reported.

#### 4. <u>Release of funds</u>

The State Government of Uttarakhand makes budgetary arrangement in the annual budget of the state. After receiving the central share, State Government releases its Share and transfers the funds in the heads of Department of Education (Primary Education). Thereafter, the State Project Directorate receives the fund and transfers the fund to the concerning districts as per their demand.

The funds are released at the different levels through the mode of PFMS (Public Financial Management System).

As soon as, the Government of India releases the Central Share then the State Government also release the State Share without delay. Within a month all the funds are transferred as Central Share and State Share to the District authority through the mode of PFMS (Public Financial Management System). Afterwards, the District Authority forwards the fund to the school authority.

The main reason for getting delayed to release the funds at different levels is Network connectivity problem at the remote areas due to the O.F.C. (optical fibre cable) breakdown and problem in banking server.

State Government releases the funds to each and every school timely. Usually schools have the buffer stock under the head of cooking cost and food grains in case if it gets delayed in releasing funds to schools.

There is no initiative taken by the State Government for pre-positioning of funds with the implementing agencies.

#### 5. <u>Menu of MDM :WEEKLY MENU – DAY WISE</u>

The day wise menu is not prepared by State Level. Orders/Instructions are issued to districts for making a weekly menu. In general, rice, pulse and vegetables based menu is practiced in maximum schools. The pulses are changed every day. The weekly menu also contains local edible items and local food habits of the children. It encourages the local farmers to sell their local products in the market.

In compliance of directions of Government of the instructions already been

the

India, had issued

to all districts to utilize the Double Fortified Salt and Fortified Edible oil. The Double Fortified Salt is not available in the local market easily. Hence, best quality iodized salt is being used instead of Double Fortified Salt for preparation of food. The Fortified edible oil is a bit expensive as compared to the normal edible oil in the market. Therefore, normal edible oil is being used in the maximum number of schools.

Menu is decided by the School Management Committee according to the local food habits and easily availability of food products.

To improve the micronutrient status of children, a recipe booklet has been prepared by Home Science Department, G.B.Pant University of Agriculture & Technology, Pantnagar named "Micronutrients Enriched Nutritious and Delicious Recipe Booklet". This booklet contains around 30 recipes based on local ingredients. These booklets made available to each and every school.

In State, The Mid Day Meal has been served in all schools in summers at 10:30am to 11:00am and in winter at 12:30pm to 01:00pm.

#### 6. <u>School Nutrition Gardens</u>

Initiative has been establish "kitchen in school premises land is available. Therefore, teachers,

taken to garden" where

cooks

and school children are motivated to produce vegetables in kitchen garden at school premises. Around 1351 Kitchen Gardens have been established as yet. (Annexure-W 1 enclosed)

Presently there is no mapping of schools with corresponding Krishi Vigyan Kendras (KVK)

In regard to this, correspondence has been made with the Forest Department, Agriculture Department and Horticulture Department to provide the Technical knowledge of kitchen garden, Manure/Compost, Seeds, Machinery of plants or agriculture, Literature related to kitchen garden and to impart the knowledge of safety from the wild animals. These vegetables are being used in schools.

The coordination will be made along with the Horticulture and Agriculture department, Uttarakhand in order to establish the kitchen gardens at schools where land is available. The concerning departments will help out for technical support, soil testing, seed quality and availability. These departments also provide the Agricultural Equipments, Fertilizers and Literature about the plantation and additional knowledge. The production of vegetables and fruits might be utilized for the children at schools.

#### 7. <u>Supplementary Nutrition</u>

Additional food items (Atrikit Poshan) i.e. fruit, Boiled Egg, Gud Papdi etc. have been provided by the State Government from its own resources for children in all schools once in a week. The Day is decided by the convenience of district. The unit cost of above food item is Rs. 5.00 per child.

#### 8. <u>Community Participation (Tithi Bhojan etc.)</u>

"Vishesh Bhoj" is being celebrated in various schools in Uttarakhand state. Around children in schools are availed under this programme during 2019-20. This programme is being celebrated in large number in Uttarakhand state and 63839 children are getting benefited with the additional nutrition beyond Mid Day Meal on account of "Vishesh Bhoj" programme.

#### 9. <u>Monitoring Mechanism</u>

At the state level SLSMC headed by Chief Secretary who is monitoring the programme. Various executions made for the advancement and successful achievement of MDM through the Additional Chief Secretary, Secretary to Education Department and State Project Director, SSA including the ASPD and JD of MDM who are helping the implementation of this scheme.

At district level DLSMC headed by District Magistrate who is monitoring the scheme. The DEO (Prim.Edu.) and other concerned including the agencies i.e. DSO, CMO & FCI meet once in a quarter. In addition, District vigilance Committee chaired by MP's also reviewing and monitoring the Scheme. At block level BLSMC headed by Sub Divisional Magistrate also monitoring the scheme along with Dy. EOs and others. At the grass root level schools have the SMC who steers and monitors the scheme.

#### 10. <u>Social Audit</u>

Social audit has been conducted in District Haridwar and Udham Singh Nagar by "Uttarakhand Social Audit, Accountability and Transparency Agency (USAATA).

#### There are following findings of social audit during 2019-20:

- The eating plates are not available in some schools.
- School management committee is not supporting in schools at all.

- LPG connections were not available in some schools and some schools where LPG connections are available but not using gas connections for cooking.
- In some schools MDM register, ledgers, cashbook, passbook, food taste registers and school health registers are not maintained properly.
- Low cost of meals.
- Low honorarium.
- Schools are maintaining MDM registers, cashbook, ledgers etc periodically.
- Meals are being prepared according to school menu.
- Inculcating habit of hygiene and sanitation amongst children in schools.

Further Uttarakhand State Govt. officials has informed that 04 districts will be selected for conducting social audit of Mid Day Meal in the financial year 2020--21,

#### 11. <u>Testing of meals</u>

The food sampling of 19 schools in Dehradun and Haridwar have been carried out by "Punjab Biotechnology Incubator, Mohali, Punjab" and the report is awaited from the concerning an NABL accredited facility. Thereafter, the significant report will be shared to the Ministry of human resource development, New Delhi.

There is no lab affiliated by NABL in the state, hence the testing of food samples has been carried out by other state.

Due to non availability of LAB affiliated by NABL in the State, the protocols for testing of Meals, frequency of lifting and testing of samples could not be made but in SSMC the Chief Secretary of Uttarakhand directed to increase the frequency of food sampling in State.

There are 57 samples of cooked food viz. Rice, Pulse; Vegetables have been picked from 19 Primary and Upper Primary schools. The reports are still awaited.

The instructions have been circulated to all Districts for ensuring implementation of guidelines regarding quality of the foods in accordance with prescribed norms of Mid Day Meal stated by Government of India.

#### 12. <u>Tasting of Meal</u>

The Government orders are circulated to all the schools to maintain food taste register in every school and the signature of the head master, assistant teacher or other officials is compulsory before meals are served to the children at schools. Food tasting roster is prepared and available in all schools. Parents and members of SMC are motivated for checking meal each and every day according to roster during SMCs meetings.

#### 13. <u>Centralized Kitchens and involvement of NGOs</u>

The Government of Uttarakhand has decided to engage "The **Akshaya Patra**" foundation to provide Mid Day Meal in urban areas of District Dehradun, Haridwar, Nainital and U.S. Nagar through centralized kitchen. The Government orders regarding land allotment and implementation of Mid Day Meal scheme through centralized kitchen already issued. A tripartite MoU conducted between Government of Uttarakhand, The Hans foundation (fund donor) and "The Akshaya Patra" foundation and the procedure regarding establishment of centralized kitchen is on progress.

#### 14. <u>Cooking Competition</u>

No. There is no cooking competition have been organized during 2019-20 but it will be processed in 08 blocks of 02 to 04 districts 2020-21.

In FY 2020-21 cooking competition will be provisioned in all districts. This competition will be organized at Block level and District level. The objective for organizing cooking competition is to include local produced edibles and awarded recipes in the competition will be introduced in prescribed weekly menu. The fund for expenditure in cooking completion has also been included in the tentative MME Plan for the financial year 2020-21.
