- Budget released and kept in CPO Accounts in the districts.
- It is planned to complete the Kitchen Sheds by Dec,2015, however much progress could not be achieved due to escalation construction Cost.
- Review meeting is being conducted at Secretary level with constructing agencies and Finance Department Officials.

BEST PRACTICES

- ❖ Coverage of IX to X children under MDM programme by the State Government (100% state share)
- ❖ Providing of Rs. 1/- as additional cooking cost per day per child by the State Government for I to X classes. (about 87.50 crores per year) for providing eggs twice a week the children who do not eat egg, banana is provided.
- ❖ To ensure quality and quantity of Rice supplied to MDM a pilot project is launched in three Mandals i.e., one mandal in each District of Vizianagaram, Prakasam & Anantapur,. This will increase the involvement of Village Organisation with women Self Help Groups for checking the quantity/Quality and transportation of rice from APSCSC Ltd. The HM of the School receives the food grains from the Village Organizations. This ensures the accurate quantity of rice to the School point. For these purpose a training is conducted to the Member of Village Organisations / MEOs during Oct,2015.

Contd...

- ❖ Millet based food as breakfast is also under active consideration of the Govt and the modalities are under process.
- ❖ To mitigate the increase in price of Dhal and oil and ensure quality and timely supply of MDM supply and distribution of Red gram and oil through Civil supplies Department is being planned.
- ❖ Regular monitoring by the State officials through video conferences basing on fortnightly visit reports of the DEOs and regular visits of the state level officers.
- ❖ Website for affective Online Monitoring of MDM is launched . Online entry of MDM data is under process. District level training programmes are conducted for online entry of data during Nov.2015.
- ❖ As per the Gazette Notification, a letter has been addressed to NIN and Institute of Preventive Medicine, Public Health, for identification of Govt and accredited Food Testing labs in AP.

Contd...

- ❖ Conducted State level cook cum helpers resource persons training in July 2015 with the cooperation of UNICEF.
- ❖ The Divisional level training for MEOs/ HMs has been conducted from 02.12.2015 to 05.12.2015. Cluster level trainings for CCHs is conducted from 20th Dec,2015 onwards.
- ❖ To have accurate enrolment data the Aadhar Seeded Child info data, UDISE data & Mid Day Meal data is being integrated .
- ❖ The Mobile No.of all HMs is collected and connected to web portal. The HM were instructed to send daily attendance/intake of MDMs through SMS.
- ❖ Bio-metric attendance system is being introduced 100 School in the district of Krishna & Chittoor during Jan,2016 on pilot basis to arrive at the accurate MDM attendance.

Contd...

- ❖ Tablets are provided to all the MEOs/DyEOs to enable them to upload the Visit/ Inspection report along with photo graphs on MDM & other infrastructure on the same day. This activity commences from Jan,2016.
- ❖ Video CDs on MDM monitoring & training to cook-cum helpers is developed is distributed.
- ❖ Payment of all components directly from State to the Agencies is being planned and necessary software is being developed with help of AP online.
- ❖ To create awareness to the Students / Parents the MDM Norms and the Menu is being printed on the back page of every Text Book from the next academic year.

Thank you
